Welcome to PAMKA's Spring Gala, our biggest fundraiser of the year. This fundraising effort allows us to make direct, meaningful contributions to MKA that support our outstanding faculty and staff. Proceeds from this Gala will help fund PAMKA-sponsored programs such as the Faculty Trust Grants, Faculty Wish Lists, and the MKA Lecture series, along with the Faculty Compensation Endowment Fund. This Gala's Direct Appeal will benefit the Middle School Library Renovation Project, as part of our school's continued investments in our educational spaces.

PAMKA would like to thank our numerous Spring Gala committee members, all of whom worked tirelessly to source an amazing assortment of auction items. We hope you take the time to view our digital catalog and bid on the auction items at home and/or in person at the Gala on April 19. Another way to support us, if you are interested and able, is by donating via our website www.mka.org/pamkagala. As always, participation is voluntary.

All goods and services listed in the digital catalog are subject to availability. Our vendors and service providers stand behind their items. If the purchased item is unavailable due to unforeseen circumstances following the auction, PAMKA will provide a full refund if within the parameters of their expiration dates.

Please enjoy perusing all of the fantastic experiences and items available to you!

2023-2024 Board of Trustees

Thank you Gala Committee!

We can't begin to express our gratitude to everyone on this year's PAMKA Spring Gala Committee. From our first meeting in September of 2023, you showed up in person, or via Zoom, to lend your time and talent to our Gala efforts. Your willingness to pound the pavement and call in favors made all aspects of the Gala possible! We cannot thank you enough for your tireless efforts and unbridled enthusiasm. Some special acknowledgments:

- To the veteran volunteers who graciously agreed to work on the Gala, your experience and knowledge were vital to our understanding of the process and helped us stay on task. A special note of thanks to the 2023 Co-Chairs, Jessica Freeman and Kate Vail, who have been an invaluable resource and reassuring presence from the start.
- We were also fortunate to have many new volunteers as well. Thank you for choosing to join our committee and take on the daunting task of building this Gala. You brought amazing energy and ideas!
- To the collective efforts of our auction committee, led fastidiously by Sara Elwell and creatively by Rowan DiFeo, without whom none of tonight's offerings would be possible. We are forever grateful for their endless energy and support!
- For the creative stylings and graphic know-how contributed by our Digital Ad Journal mastermind, Kim Koserowski; we couldn't have asked for a better partner.
- This night would not have been possible without the steady support and hard work of our PAMKA President, Alison Slone. Alison has been with us through this entire process, guiding us every step of the way, from big ideas to the smallest details. We couldn't have done it without her!
- A huge thank you to Ashley Conde, Chris Kenrick, Laela Perkins, Tripti Singh, the MKA Facilities Team, and all of the incredible MKA faculty staff. Behind the scenes, their efforts were crucial in ensuring the entire Gala ran smoothly.
- Thank you to PAMKA for entrusting us with this fantastic experience of co-chairing the Spring Gala. We know the funds raised tonight will have a meaningful impact on the MKA community for years to come.

Finally to our families, thank you for your patience and unwavering support.

Please enjoy the Spring Gala!

AUCTION RULES, CONDITIONS OF SALE AND TAX INFORMATION

CONDITIONS OF SALE

These conditions of sale apply to auction, unless specified otherwise.

- All sales are final. All items have been donated to The Parents' Association of Montclair Kimberley Academy ("PAMKA") and are sold by it, not the donor. Please do not request refunds or exchanges from donors.
- Please read carefully the restrictions and specifications on the individual auction lots outlined in this program. By making a bid, you agree to accept any limitations or restrictions required by the lot donor.
- All items are sold in "as is" and "with all faults" conditions. Montclair Kimberley Academy and PAMKA make no warranties or representations whatsoever as to the correctness of descriptions, dollar value estimates, genuineness, or conditions of any item. In no event shall MKA or anyone acting on its behalf be liable for any occurrence arising out of the use of these goods and services.
- Payment in full by the successful bidder must be made by American Express, Visa or MasterCard following the close of the auction.
- Unless otherwise specified, all items and services must be used within one year from Friday, April 19, 2024. The dates and times of mutual convenience for the donor and successful bidder should be arranged directly between those parties within 30 days of the auction.
- Removal of all items is required on Friday, April 19, 2024 for the silent and live auctions.
- The live auction, silent auction, basket raffle and 50/50 drawing are open to adults. No one under the age of 18 years is permitted to participate. If gambling is a problem for you or someone in your family, Dial 1-800-GAMBLER.

LIVE AUCTION RULES

- A live auction bid is entered by raising your hand and being recognized by the auctioneer.
- The auctioneer has the right to determine increments on each item. Any item not sold at a satisfactory price may be withdrawn at the option of the auctioneer.
- The highest bidder acknowledged by the auctioneer shall be the purchaser. In the event of any dispute between bidders, the auctioneer shall have sole and final discretion to determine the successful bidder.
- The title to each article passes to the highest bidder upon declaration by the auctioneer that the lot is sold.
- Live auction lots listed as priceless may have a value listed on the winning certificate and receipt that represents the value of a component of the package. The term "priceless" means that we have pulled together a "not readily available" or "special access" package. The bid amount over the value listed on the winning certificate and receipt is the amount that is considered tax deductible.

SILENT AUCTION RULES

- Place your silent auction bid using your registered device: Tap BID, enter your bidder number, Select Amount and indicate whether this is your maximum bid.
- The auction system allows for automatic bidding. Once you've set your maximum bid, the auction software will automatically raise your bid by a predetermined increment until your maximum bid has been met or the silent auctions ends. If your maximum bid equals a previous bid, the previous bidder prevails.
- In the event of a bidding error, please notify via call and text Spring Gala Treasurer Jessica Freeman (201-618-5869). She has the sole discretion to discard erroneous or fraudulent bids.
- At 15 minutes prior to the closing of the Auction, guests will be notified by electronic and public announcement.
- The winner is the highest bidder as registered by the auction system at the close of the auction. The winning bid must be certified by the auction manager.
- The winner must be able to show identification at check-out to prove they are over 18 for any auction item and over 21 for any auction item that contains alcohol.

Unforeseen Circumstances

- While our vendors and service providers stand behind their items, there can be no guarantees due to the impact of unforeseen circumstances. Should the purchased item no longer be available due to unforeseen circumstances by the vendor or service provider following the auction, a full refund will be provided by PAMKA.

TAX INFORMATION

- The amount of your contribution that is tax-deductible for federal income tax purposes is limited to the difference between the donor's estimated value and what you paid. Acknowledgments substantiating your payment will be sent to you. If you should pay less for an item than the donor's estimated value, your purchase does not constitute a tax-deductible contribution.
- The fair market value of a Gala ticket is \$185. The difference in cost between a Blue Level ticket, along with the White and Green Level tickets, is a donation and is tax deductible.
- All monetary donations are 100% tax-deductible.
- Raffle tickets are not tax-deductible.

Please consult with your tax advisor to determine the full extent of your tax deduction.

Good Luck and Good Bidding!
