# WE ARE HIRING

YOU'VE COME TO THE RIGHT PLACE.

---

From the outside, you may know us for our smooth, creamy, and delicious hummus. Or maybe it's our addictive, spicy, and oh-so-good hot sauce. But we're more than that -- and it's what's on the inside that counts, after all. Our teams are filled with passionate, hard-working, and loyal people. People whose skills and characteristics we value and reward. We invest in our teams and promote them to be future leaders. We only hire the best and believe you will be a great fit.
