This evaluation process will also include the annual evaluation of the content and effectiveness of the actual parent and family engagement plan in improving the academic quality of its Title I, Part A schools. The evaluation will include identifying strategies to support successful school and family interactions. Local school and Title I parental involvement funds will be used to purchase materials for parent meetings which focus on methods and strategies to use at home and school to improve student performance in the core content areas (i.e., Statewide Parenting Day, Math and Literacy Nights, and parent meetings focusing on specific topics). It is currently the practice of the St. Clair County School System to have the Federal Programs Coordinator schedule an annual meeting to involve parents in the joint development and revision of the LEA Plan. Parents are also included in the development and revision of the system's Strategic Plan, District Improvement Planning, and local school ACIPs.

T. Describe how the LEA may develop appropriate roles for community-based organizations and businesses in parent involvement activities.
