

Bellevue Elementary

Bellevue City School District, Bellevue Ohio

April/May 2024

Hello families!

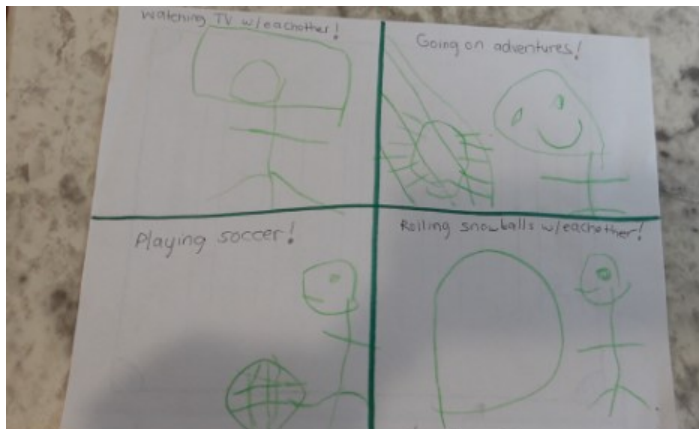

Thank you for being such amazing partners in education! Bellevue City Schools just received the **Momentum Award** for improving their Ohio State Test scores by 3+ points AND received a value-added rating of 4 or more stars.

Thank you for reading with your child, playing cards and board games, talking to your child and spending quality time with them. When your child feels your love, they are even more likely to perform well in all aspects of school. **Do you want to know your child's love language?** Ask your child to draw one picture in each grid of *ways parents show love to their children!* (PRO TIP: If you are doing this with multiple children, don't let them see each other's drawings to prevent copycat answers!) Are most of the drawings referring to **quality time, physical touch, receiving gifts, words of affirmation, acts of service?** The trend will reveal your child's love language. **Email Mrs. Turner your child's love language to enter a drawing for a Miller's Gift Card.**
