### POLICY FFA (WELLNESS PLAN)

The District will allow individual campuses to select 6 exemption days per school year. These records are subject to audit by the Texas Department of Agriculture. No food items may be sold to students on these days during breakfast or lunch meal periods except by Child Nutrition Department.

Meals served under the National School Lunch, School Breakfast Program and Summer Food Service Program are the official meals of the District. The programs will be available to students every day that school is in session and outside parties may not provide these meals. Menu and a la carte items are determined by the Child Nutrition Department.
