

2023-24

ORGANIZATIONS

	Faculty Sponsor email	Description
Mu Alpha Theta	jeffrey.aydell@springbranchisd.com	Math Honor Society where members engage in unique math-related activities and competitions
HOSA	sharrell.sincerequiroz@springbranchisd.com	HOSA-Future Health Professionals (HOSA), a global student-led organization that actively promotes career opportunities in the health care.
National Art Honor Society	elisa.barry@springbranchisd.com	National Art Honor Society aims to inspire and recognize those students who have shown outstanding ability the visual arts; foster excellence and a dedicated pursuit of art; further creative abilities and talents of the members. Interested candidates will apply for membership. Membership applicants must meet all of the requirements stated in the Chapter Bylaws.
Science National Honor Society	jo.strait@springbranchisd.com	A honor society for students who have shown a record of excellence in the sciences. Students will conduct service work and potentially have the chance to participate in various competitions/fun events throughout the year.
Student Council	lisa.williams@springbranchisd.com	

CLUBS

Business	Faculty Sponsor email	Description
Academy of Business	edward.colquitt@springbranchisd.com	Students interested in Business, Entrepreneurship, or Accounting and Finance have the opportunity to participate in the Academy of Business (AOB) to gain additional experience in the world of business and industry.
Investment Banking Club	edward.colquitt@springbranchisd.com	The Investment Banking Club of MHS is an engaging environment for students to learn more about the world of finance, specifically by learning about the infamous sell-side career of investment banking. With engaging presentations, activities, and meetings with investment bankers, you'll never face a second of boredom whilst surrounded by those who are keen about your finance related passions!
Business Professionals of America	lindsey.bowman@springbranchisd.com	Our mission for Business Professionals of America is to develop and empower student leaders to discover their passion and change the world by creating unmatched opportunities in learning, professional growth and service with real world application.
MHS Real Estate Club	edward.colquitt@springbranchisd.com	Learn about real estate transactions, investments, valuation, networking, and development.

Community / Culture	Faculty Sponsor email	Description
ASL Club	Laree.Stone@springbranchisd.com	To raise awareness for deaf culture and community through the use and practice of American Sign Language.
Memorial Avians Association	justin.schreer@myspringbranchisd.org	Our club's mission is to make our city a friendlier habitat for the birds who reside within it. With the Houston area being home to more than 300 species of birds, it is important that we understand and sustain the ecosystems where they live. We plan on achieving this through semester projects, habitat cleanups, birdhouse making, and more.
Aviation Club	patrick.sombilla@springbranchisd.com	A club to share the interest in a future career in the aviation industry, or just in aviation in general, and help young aviators in their future career. We will be going to flights, organizing field trips to airports and aviation museums, volunteering at aviation-related events, having aeronautical lessons, and aviation professionals as guest speakers. No experience in anything is needed, just have fun! If you have any suggestions or questions, please let us know, we will be willing and happy to hear them. In case our club sponsor Mr. Sombilla is unavailable, please contact bagdzvil001@mysbisd.org (Vilius Bagdzevicius-The Club President) to join or to get more information about the club. Our Remind group is @mhsaviate

Career Xplorers	brian.reppart@springbranchisd.com	To discuss careers and explore interests so students can find passions and set goals and find a motivation
Crochet Club	lindley.amarantos@springbranchisd.com	To teach teens an alternate form of relaxation that doubles as a trade you can have your whole life.
Cultural Foods Club	Holly.Hartman@springbranchisd.com	Explore and try the foods of different countries to learn about traditions and cultures of them. After we try and learn about the foods, we write a caption about it on an instagram post so people who follow can learn.
Cultures Club	jjsun.kim@springbranchisd.com	Our mission is to create a diverse and accepting environment at Memorial High by incorporating a variety of cultures into our club. Our purpose is to educate each member of the club while establishing a close community. Meetings will usually consist of snacks from different culture of our members along with discussions about the unique traditions and holidays.
MHS Diversity and Inclusion Club	annie.huynh@springbranchisd.com	The purpose of this club is to create awareness and promote educational opportunities on diversity and Inclusion issues/topics.
French Club	cynthia.sekadagnogo.springbranchisd.com	Provide students with an opportunity to broaden their knowledge of the french culture and language. Promote enthusiasm for the french language. Expose students to diverse, authentic francophone culture and perspectives through activities, projects, discussions, food and travels.
GirlTalk	christi.tullos@springbranchisd.com & jenna.rosen@springbranchisd.com	GirlTalk is a sisterhood for high school students and a safe place for people to reveal their struggles. Through the use of group therapy sessions, and authentic friendship, we can get through the trials and triumphs of high school.
Greek Club	lindley.amarantos@springbranchisd.org	To facilitate Greek culture throughout Memorial.
Memorial Climb Time	william.schwartz2@springbranchisd.com	Allowing students a close and affordable way to climb.
Memorial Walk Club	kelsey.earnest@springbranchisd.com	The Memorial walk girl is in inspiration to the recent "hot girl walk" trend advocating how getting outside and walking instantly increases your mental health and can be a great way to spend time with friends. In the Memorial Walk Club we will meet as a group to walk and talk in a safe space to talk while connecting within our School.
Neurodiversity Club	shelby.slay@springbranchisd.com	To provide a safe and fun space for neurodivergent students to be themselves.
Never Ever Give Up (NEGU)		To support kids fighting cancer and encourage them to keep fighting
Scholars Without Borders	teresa.mclaughlin@springbranchisd.com	The mission of Scholars Without Borders is to assist international students in acclimating to the school environment and fostering their personal growth by providing opportunities to gain new experiences, establish meaningful connections, and promote cultural awareness, transcending the language barrier.
Solstice Club	jenna.rosen@springbranchisd.org	To provide a safe space for lgbt+ students to be themselves, have fun, and support the community.
SWA Step Club	michael.ponton@springbranchisd.com	Learning the fundamentals of college and high school level stepping and meshing them together. Goals would be to perform on campus and in off campus competitions.

Unified Club	zoe.korman@springbranchisd.com	Unified Champion Schools is a unique Special Olympics program in partnership with the U.S. Department of Education to promote inclusion and acceptance among students with and without intellectual disabilities. Students in this club will participate year round in planning and hosting a monthly event with their Special Education peers. They will attend and promote Unified Sports games through morning announcements, making posters and planning events with various sports on campus. The Unified Champion Schools approach incorporates Unified Sports and Unified Activities, Inclusive Youth Leadership and Whole School Engagement. The benefits of Unified Club include: Bully prevention, moral intelligence, character development, leadership development, physical fitness and an increased positive school culture.
Faith	Faculty Sponsor email	Description
Fishers of Memorial	lindley.amarantos@springbranchisd.com	This club is geared towards Christians who want to grow in their knowledge of the Bible, while also providing them with fellowship opportunities, and strengthening the Christian community at MHS.
Fine Arts	Faculty Sponsor email	Description
Actions Through Music	Annie.Huynh@springbranchisd.com	To introduce students to different kinds of music, expand their knowledge on lyricism and production, and create a community of musical knowledge and discussion.
MHS Art Club	marilyn.guerinot@springbranchisd.com	Help students practice and develop their art skills for the future while providing a fun environment that they can enjoy.
International Thespian Society Troupe 2980	bradley.hewlett@springbranchisd.com; bryan.cortes@springbranchisd.com	The Memorial High School chapter of the International Thespian Society is dedicated to supporting theatrical work, developing a community of technicians and performers, and honoring student achievement in theatre.
Photography Club	christine.baker@springbranchisd.com	Learn about photography and the skills that will make a great hobby, get some creative ideas, and improve your skills if you already are into photography. No prior info needed. The purpose of this club is to show that everyone has a creative side. You will learn the basics of photography and other things from using your phone as the camera and learn what makes a picture a good picture. The mission of the club is to spark the idea of a new hobby and have fun while doing it.
Spanish Music Club	ivan.campos@springbranchisd.com	The purpose of the Spanish music club will be to discover and learn about the different genres and cultures of Spanish Music. In addition to listening to music, members will learn about the corresponding dances, both traditional and new. Through studying the different aspects that define each genre of music, members can better appreciate and take into consideration a great message within an even greater tune!
	Faculty Sponsor email	Description
Badminton Club	Annie.Huynh@springbranchisd.com	We will be playing badminton for fun. It will include competitive and friendly matches. Any student from any grade is allowed to join the club. Active social networking through badminton.
Arts and Crafts Club	Elisa.Barry@springbranchisd.com	To bring our members a sense of nostalgia and remind them of the joy they felt when stepping into an elementary school art class. Or simply to satisfy all crafting needs.
Baking Club		To teach people new recipes and learn life skills that will help them bake.
MHS Boxing Club	Brandon.Benitez@springbranchisd.com	We hope to inform and encourage a broader group of student, girls and boys, from Freshman to Seniors, to join the sport of Boxing! It is a great work-out that builds strength, coordination, focus, discipline and many more!
Chess Club	hedzelitonoel.bayaborda@springbranchisd.com	Our club aims to help new players improve at Chess and aid experienced players in entering (USCF official) tournaments.
Dungeons and Dragons Club	emmitt.diaz@springbranchisd.com	Expanding Imagination creativity and critical thinking
MHS Pickleball Club	mary.sommer@springbranchisd.com	The purpose is to spread the love of pickle ball and enjoy the game that is up and coming.

Memorial Programming Club	patrick.sombilla@springbranchisd.com	Participating in Competitions and make a website that is educational.
Quiz Bowl	brian.reppart@springbranchisd.com	To increase student knowledge in a variety of fields including literature, science, popular culture, math and history and to compete in academic quiz bowl tournaments.
"Reel Change"	justin.schreer@springbranchisd.com	A new club celebrating and promoting saltwater catch and release fly fishing and conservation of coastal environments and fisheries.
Roleplay Club	heather.mayse@springbranchisd.com	The Roleplay Club is a basically a writing based club, where people create their own characters and with others they'll create plot and conflict. It's basically like a collaborative story type thing. People write from the point of view of their characters and together with others the story begins. Roleplaying is creativity based so only your imagination is the limit. Writing and roleplay experience not necessary!
Reading / Writing	Faculty Sponsor email	Description
Memorial Book Club	sherri.boyd@springbranchisd.com	Book club provides an opportunity for readers to share information and the pleasure of reading. It fosters a sense of community and intellectual stimulation
M-HwaHua Club	abigail.walker@springbranchisd.com, eric.hernandez@springbranchisd.com	In the M-HwaHua club, we will be reviewing/reading manhwa/manhua and will eventually create our own manhwa/manhua within the second semester. Everyone will be able to voice their own manhwa/manhua preferences, and the club will vote together on whether or not they would like to read the recommended manhwa/manhua. This club is meant to help others better understand manhwa/manhua and learn to enjoy them in the process.
Writer's Guild	Justin.schreer@springbranchisd.com, eric.hernandez@springbranchisd.com	We are a creative writing club that loves to laugh, talk, and snack on yummy food. Come to club every Wednesday for a welcoming group and food!
Service	Faculty Sponsor email	Description
Awareness and Health Advocacy (AHA)	jisun.kim@springbranchisd.com	Our mission is to support people with chronic and life-threatening diseases through encouragement, awareness, and advocacy. We are partnering with Texas Children's Hospital to participate in medical fundraising and awareness events.
Bayou Cleanup Guide	patricia.mantei@springbranch.com	BCC is dedicated to the preservation and enhancement of our local bayous. We are passionate about maintaining and beautifying these precious waterways. Through hard work and dedication we hope to ensure healthy and clean bayous for generations to come.
Comfort Corp		To provide comfort and hospitality to patients through a combined, collaborative effort. We will be making a patient's day by creating bookAt Comfort Corps, we strive to provide comfort and support to patients. Through our service projects, such as creating and distributing activity booklets, we aim to bring joy, entertainment, and a sense of connection to individuals in healthcare facilities. By combining compassion, creativity, and dedication, we aspire to make a positive impact on the lives of patients, reminding them that they are cared for, valued, and not alone. Comfort Corps is ultimately committed to bringing comfort to patients through acts of kindness, spreading smiles, and making a difference one project at a time.lets of word searches, crossword puzzles, coloring pages, and sudoku that will be sent to Memorial Hermann. Remind: @comfortcor IG: @mhscomfortcorps_ Website: https://mhscomfortcorp.wixsite.com/comfort-corps
Help End Hunger	Vanessa.benavides@springbranch.com	As a group, we want to supply food and necessities to less fortunate individuals. Our mission is to help the community and leave a positive impact to represent Memorial High School.
Fashion With A Passion	hajile.mitchell@springbranchisd.com	The mission of our club is to try and help provide/donate used formal wear to less fortunate schools so teens don't have to be stressed about finding an affordable dress or suit.
Jewels for Smiles	rachel.briscoe@springbranchisd.com	The mission of our club is to make DIY bracelets and necklaces to donate to young girls at Hospitals. We would meet once a month to come up with a plan of what we are going to be making, and then have a month to make a bunch of pieces of jewelry that me and the other club founder would then collect in the next meeting and give them to the Hospitals.

Key Club	jenna.rosen@springbranchisd.org	Key Club is an international, student-led organization that provides its members with opportunities to provide service, build character and develop leadership.
Memorial Achieve	christo.amarantos@springbranchisd.com	Peer tutoring club, designed for students who are without access to tutoring. Created so that all Memorial students have equal access to education, and are able to excel in classes they struggle with, despite financial circumstances.
MMOB	brian.reppart@springbranchisd.com	To help volunteer at Memorial High and the surrounding areas.
Music as Medicine	danielle.prontka@springbranchisd.com	Our mission is to transform lives through music by getting involved with hospitals, care centers, elementary schools and more.
Periwinkle Club	mozhdeh.niazmand@springbranchisd.com	The mission of this club is to aid the Periwinkle foundation which is a non-profit organization that hosts summer camps for kids, teen camps and various other activities for current or recovering childhood cancer patients. Along with the Periwinkle foundation, other organizations such as St. Jude, Texas Children's hospital and Make A Wish will receive secondary donations.
Taking Care of Seniors (TCS)	jinsun.kim@springbranchisd.com	TCS positively impacts seniors' lives by crafting cards during monthly meets and performing music on select weekends. We offer students at MHS the opportunity to be involved with the community and earn volunteer hours.
Social Studies	Faculty Sponsor email	Description
Old Hollywood Club	christo.amarantos@springbranchisd.com	The club explores the films and pop culture dramas of the early-to-mid 20th century. We discuss Hollywood's most infamous feuds and friendships. We will also be watching movies from throughout the 20th centuries and make collages of them.
Yeastory of the World: History Through Bread	lindley.amarantos@springbranchisd.com	The club's purpose is to learn about other cultures and their history via the most common cuisine: bread.
Women in Film	holly.sanders@springbranchisd.com	The purpose of the "Women in Film Club" is to promote and celebrate women's voices in cinema by providing a platform for student to watch and discuss short films directed by women and inspire them to explore their creativity through creating our own short films.
STEM	Faculty Sponsor email	Description
Women in STEM	Julie.barras@springbranchisd.com	To inspire girls interested in STEM careers. Hear from professionals in STEM, explore different fields, discover opportunities for students in the STEM field.
Future Engineers	hedzelitonoel.bayaborda@springbranchisd.com	We hope to inspire future innovators and creative thinkers through riveting hands-on build challenges. At Future Engineers, anyone, ranging from physics noobs to pro-engineers, can have fun and win big prizes!
Medical Science	tamara.nixon@springbranchisd.com	The purpose of the Medical Science club would be to discover all of the career studies within the medical field. With a general focus on human anatomy, we will explore and research within specific branches voted most interesting by club members. Overall, the club will bring together students who share passion and interest for medicine and allied health professionals.
Memorial Science Fair Club	Mozhdeh.Niazmand@springbranchisd.com	The Memorial Science Fair Club will allow students to form groups to brainstorm, collaborate, and create projects with which they may enter local and regional competitions. Our club will work with the school and the district with the intent to organize a Science Fair at MHS.
Memorial STEM E-Club	jinsun.kim@springbranchisd.com	Our mission is to educate people on stem in college and careers by bringing in college students (in particular, Memorial Alumni) and professionals to speak about their experiences pursuing stem or working in a stem career. Additionally, there will be team building challenges, stem volunteering opportunities, and opportunities to join a non-profit and gain professional experience and leadership roles. We also that this will be a fun experience for all! All are welcome!
STEM Outreach Club for Kids (SOCK)	patrick.sombilla@springbranchisd.com	We will visit elementary schools and do little science projects with the students to teach them about STEM.

Science Olympiad	Marek.Mlocek@springbranchisd.com	Science Olympiad is a team competition where students compete in events pertaining to various scientific disciplines, including earth science, biology, chemistry, physics, and engineering.
Underwater Explorers	Annie.Huynh@springbranchisd.com	The Underwater Explorers are a club dedicated to teaching students about marine biology and marine archeology. As well as an introduction to scuba basics.
