Authorization to Purchase Convection Ovens from CARE Sales & Service

DATE: April 4, 2023

Overview

Staff recommend purchasing nine double-stack convection ovens from vendor Commercial and Restaurant Equipment, Inc. (d/b/a CARE Sales & Service) in the amount of \$92,880.00, with a 5% contingency for unforeseen circumstances.

The new convection ovens would be utilized by Food Services and installed by the vendor at various school locations. The expense includes all delivery costs, and the purchase includes a one year parts and labor warranty.

This expense would be funded from the Food Service Fund.

An invitation to bid for seven (7) electric Garland brand/ MCO-ES-20S and two (2) gas Garland brand/MCO-GS-20S model convection ovens (or equivalent) was publicly issued on March 18, 2024. The District received bids from eight (8) vendors (see table below). After evaluating proposed alternative models, staff recommend purchasing from CARE Sales and Service, the lowest responsible bidder for Vulcan brand/ VC44ED (electric) and VC44GD (gas) model convection ovens, which District staff deemed to be equivalent to the Garland brands.
