All-State and Honors Ensembles

In honor of Music in our Schools Month, please join me in congratulating all Fargo Public Schools students who auditioned and were selected to participate in any of the North Dakota All-State and Honors ensembles for the 2023-24 school year!

Fargo Public Schools students are consistently and routinely selected to be in All-State and National level honor ensembles. If you've ever attended a North Dakota High School or Middle School All-State and/or Honor Ensemble concert, you can attest to the collaboration, professionalism, musicianship, skill, and joy displayed by the fine young musicians North Dakota produces each year.

Congratulations to the following Fargo Public Schools students who were selected to be in the 2024 All-State and Honors performing groups:
