## Our School Goals

**Goal 2- Whole Child: Thriving, Confident, Responsible Individuals**

**Scholar Voice** - Elevate scholar voice and ownership (e.g., Scholar Advisories) by integrating scholar knowledge, culture, experience, and feed-back into school planning, instruction/ projects, assessment, and classroom norms.

## Two Way Communication with Families

Engage in effective two-way communication in multiple languages to eliminate barriers to opportunities (i.e. SLCs- Student Led Confer-ences, translated materials, interpretation at events and listening sessions).

## Goal 4- Content Area Competence: Mastery of All Subjects

Culturally Relevant Professional Development - Build capacity of teachers through targeted profes-sional development and collaborative coaching fo-cused on anti-racist and culturally relevant instruc-tional practices and strategies in literacy, numeracy, and data analysis.

**Professional Learning Communities-** Engage Professional Learning Communities (PLCs) in a cycle of inquiry using multiple measures to inform and adjust instruction while disaggregating data through an equity lens (interim common assessments-district and building level).

## Community Involvement

Parents and community members can participate in Mentor & Me, Parent Support and Advisory Group, tutoring, Booster Club, chaperoning field trips and events and being guest speakers in classrooms.
