# OSHKOSH AREA SCHOOL DISTRICT PROJECT PROGRESS REPORT

## CONSTRUCTION UPDATE

At Menominee Elementary School, construction remains on pace, despite the rain and snow of early spring. Inside the two-story academic portion of the building, ceilings, lights, and mechanical finishes are being added, while, outside, Miron Construction is continuing their work on the exterior brick and stone. In the middle of the building, interior walls are nearly complete for the office, the library, and the Kindergarten and first grade area, with ductwork and piping following shortly.

## WHAT'S NEXT?

- » Exterior brick and stone
- » Window installation
- » Interior finishes (paint and ceramic tile)
- » Mechanical, electrical, and plumbing rough-ins (southern portion)
