

## Kindergarten Registration Family Support Days

Calvert County Public Schools is pleased to offer families assistance with the completion of our online registration process at each elementary school. If you are in need of support with navigating the website, access to the internet, access to a device, or uploading documents, we can help! Simply come to your home school on the date and time listed below and our staff will be available. Be sure to bring the necessary documents to complete the registration. If you have special situations or questions, this is a great time to get them answered. If you need the support of an interpreter, please contact Kelly Sheranko in the ESOL department to schedule a private appointment at 443-550-8042 or [shernakok@calvertnet.k12.md.us](mailto:shernakok@calvertnet.k12.md.us).
