

# HAPPENINGS AT SENATOBIA/TATE COUNTY CTC

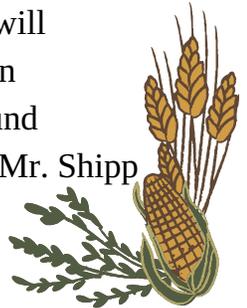

## ENGINEERING PROGRAM

Engineering I teaches students the history of engineering and the careers associated with the field. The students will also learn the foundations and fundamentals of engineering and materials, as well as robotics.

Engineering II is a comprehensive course that focuses on the four systems: electrical, fluid, mechanical, and thermal. Students will also learn valuable workforce readiness skills and participate in advanced concepts of programming robotic equipment.

Students who complete the program will receive two science credits. This is an excellent program for the college bound student who loves math and science. Mr. Shipp is the instructor

Engineering students building robots in preparation for the next step, which will be programming.

## CHILD DEVELOPMENT CLASSES AT INDEPENDENCE

Ms. Pringle, new Child Development teacher at Independence, selected the following students as Student of the Month: (R to L) Emma Forrester, Panthy Bush, (Ms. Pringle) Kevin Bryok, and Gavin Frick.

## STUDENTS FROM CTC ATTEND DECA FALL LEADERSHIP CONFERENCE IN GULFPORT

CRYSTAL EDWARDS, BUSINESS/MARKETING TEACHER AND MISTY LACEFIELD (NOT PICTURED) ACCOMPANIED THE STUDENTS.

Students from the Senatobia/Tate County CTC attended the DECA Fall Leadership Conference October 16 and 17. Ten students were in attendance: Shakera Davis, Jermirria Blackburn, Gavin Pierce, McKayla Pierce, Jimilayah Harmon, Makyia Black, Kamia Jordan, Ariel Conard, Emma Forrester, and Bryson Cleveland. They were able to see the beach from the hotel and enjoyed the conference from hotel conference rooms.

## NEW TOYOTA COROLLA DONATED TO AUTO PROGRAM

A new Toyota was donated to the automotive program at the Senatobia/Tate County CTC by Toyota Motor Manufacturing Mississippi in Blue Springs, MS. The Automotive students will be able to work on this car, learning to diagnose problems with the new technology associated with the newer vehicles.

Follow us on Facebook and Twitter. Links can be found on our school website at <https://www.tatecountyschools.org/6/home>

# CAREER FAIR AT TATE COUNTY CENTRAL OFFICE

Students from Strayhorn, Independence and Coldwater attended the Career Fair on October 21, 2022 at the Central Office. Both Former and current students at the CTC were in attendance.

**Branches of the military, local job recruiters, Community colleges, Trade Schools, and four year colleges were represented.**

## SKILLS USA

**Instruction is key for this competition.**

This year the Construction/Carpentry programs will be going to NWCC for our Skills USA North fall conference. The date is November 30, 2022. Students will learn about the different competitions to be held in January. They will also have break-out sessions on Team Building, Leadership styles, Communication-soft skills, social media networking, How to stand out in College-Workplace, and Navigating the Absorb portal. Regional competition is January 26, 2023. Instructor is Mr. Taylor.

**Corn holes and picnic tables are part of the fund raising for the Construction/Carpentry students. Please help support them.**

## HEALTH SCIENCE STUDENTS PARTICIPATE IN CLINICALS

Second year Health Science students at CTC have clinical days, just like nursing students. (Students were unable to complete clinicals for the past two years due to COVID restrictions.) This year they all had to purchase scrubs, have ID badges made, and have TB tests run.

This enabled them to make rounds and shadow at several different facilities. They are placed at Delta Health System Highland Hills hospital in Senatobia, Cornerstone Rehab, May's Pharmacy, Senatobia Dental, Senatobia Family Dental, and Parekah Medical.

They will rotate assignments every month. Students cannot perform "hands on" tasks, but observe and help in other ways. Gary Brooks is their instructor.

## Strayhorn FFA officers model new jackets

**President**  
**Jonathan Hudspeth**  
**Vice President**  
**Jose Rosiles**

## STEM at Senatobia Middle School

Chris Johnson, STEM teacher at Senatobia, had his students participate in the Egg Drop project and the Spaghetti Bridges project. Stop by and have him explain each one and the difficulty involved in each project.

# Annual FFA BBQ Supper and Live Auction

On October 21, 2022, FFA at Independence held their annual BBQ Supper and Live Auction. This is Independence's FFA's largest fundraiser of the year. Over 120 people were in attendance. Wes Anglin is the instructor.

Over 120 people were in attendance.

FFA Officers

## OCTOBER STUDENT OF THE MONTH

**Anna Daniels**  
Non-Traditional

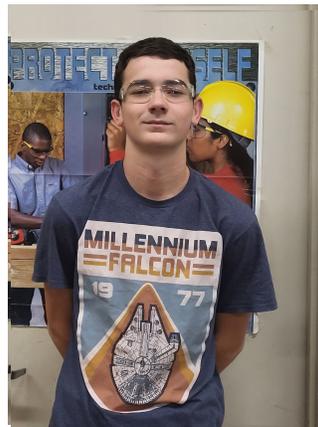

**Martavious Loveberry**  
Engineering

**Marisol Granados**  
Business/Marketing

**Kaitlin Kitchens**  
Automotive

**David Taylor**  
Construction/Carpentry

**Aubrey Burk**  
Health Sciences
