I understand that my child has received staff and district approval to participate in a field trip. Under California Education Code and Board of Education policy, teachers and support staff may take students on field trips to enrich and complement their educational experience. However, I understand that this field trip is optional and a voluntary activity. Attendance by my child is not required and that an alternative activity at school will be provided if my child does not participate.

I understand that all students going on this trip will be responsible in conduct to the bus driver, teacher, chaperones and if applicable, adult sponsors, at all times. I understand that all chaperones will be 21 years of age or older.

I understand that students going on this trip are required to go and return from this event on the transportation provided, unless prior arrangements have been made and agreed to in writing by the principal or school administrator at least 48-hours prior to the date of the field trip.

I understand that all field trips begin and end at the school of origin unless I have made prior arrangements to pick up my child or have my child dropped off at an alternative location. I understand that I must inform the school of these arrangements in writing at least 48-hours prior to the day of the field trip.

I hereby acknowledge that I have been advised of the risks inherent in participating in this field trip.

It is understood and agreed that this field trip shall constitute a field trip for purposes of the application of California Education Code Section 35330. I understand that as a matter of law, if I provide consent for my child to participate in the above-identified field trip, my consent also constitutes a waiver of liability under Education Code Section 35330, which provides, in pertinent part, as follows:

All persons making the field trip or excursion shall be deemed to have waived all claims against the district or the State of California for injury, accident, illness, or death occurring during or by reason of the field trip or excursion.
