Budget Report: Site budget is \$25,388(??). We have 10 months to spend/ 2500 to spend a month. Report indicates we're spending monthly wisely. We're fine with our discretionary money. Discussion on ways to make sure we are spending all the money before it's not available at the end of the year.

LCFF Grant Money: Not a lot of spending because it was just approved. Funds will be used for subs to release teachers to meet and discuss student data. Money spent on student store and tech equipment for classrooms to support student learning.

PAC Report: Dena Westfall attended PAC meeting on 11/28/2022. She reported that many of our safety questions were discussed. District has added more maintenance, landscape and custodial staff. At least once a week a team from M&O will be on site to work at sites. A company has been hired to visit sites to assess site safety and make recommendations and help us perform safety drills. Next meeting 1/17/2022 is the next meeting. Stacey Carroll volunteered to attend.

ELAC: Mr.C said there was a good turnout on 11/28/2022. He would like to reach out to more families to represent all language groups. There was a Parent Square training so they have access to school resources.
