ELAC

Mr. C reported a great turnout last Monday. Office staff sent out Robocalls to families and Mr.C's Parent Square emails. 15-20 families came. Mr Robertson spoke to families about how to support their child at home. #1 thing to do is read and write with your child. Mr. Robertson talked about the ELPAC test and how to practice (showed them online resources). Mr.C sent a message that our school wants to hear their voices.

Public Safety Plan Hearing

Mr. C shared the 43 page plan. Physical and mental safety of our students are the priority. Shared introduction to give context about our safety plan. He suggested scheduling more time with staff to get feedback regarding the plan. He explained more in detail about the function of our CARE team, SART v SARB/ attendance data (numbers don't seem right), no suspensions. Reviewed safety goals and evaluation of how we know we've achieved goals.

Based on the SSC review of and data-based discussion regarding the proposed updates to the 2022-2023 Woodside Elementary Comprehensive School Safety Plan, I, Robyn Reed move that we approve the 2022-2023 Woodside Elementary Comprehensive School Safety Plan.
