Venture (n) – a risky or daring journey or undertaking

We're looking for students to invite that may benefit from some early relationship building with our 6th grade team and our Lucile Erwin Middle School community / culture. They'll get a head start on some important middle school academics and we believe these students will be our potential community builders and leaders in 6th grade.

Features:

- ✓ No cost to families
- ✓ Academic & SEL Focus
- ✓ Fun and Engagement
- ✓ Preparing students for Middle School
