Sideline Cheer vs. CIF Traditional Competitive Cheer

- ▶ **Traditional Competitive Cheer (TCC)** The California Interscholastic Federation Recognizes Cheerleading as a sport. TCC is defined as competition using or following the traditional competitive format. Our Competitive Cheer Teams will compete in the Varsity Advanced and Varsity Game Day Divisions, JV Advanced Division and the Freshman Show Cheer Division. We will compete in 3-5 local competitions beginning in November and the Varsity Team will travel to Orlando **Feb. 5th-10th 2025 and USA Nationals Feb. 13th-15th in Anaheim, CA.**

Skills for Traditional Competitive Cheer- Elite level motions, jumps, stunts/pyramids, basket tosses, with more difficult transitions, entries/dismounts, tumbling skills with increased level of difficulty including intricate combinations of skills.

 - From the date of our first competition athletes are limited to additional help or private lessons on **sideline cheer skills** only. Please be aware that outside training regardless of instructor is not a school sponsored activity.
- ▶ **SMCHS Sideline Cheer** (Freshman, Junior Varsity, and Varsity levels) The focus of sideline cheer is to support our school in athletic contests, rallies, and other events by engaging with our fans as we perform cheers, chants, dances, stunts, and tumbling. Sideline cheerleaders are enthusiastic and encourage the fans to show their spirit!

The Performance Partnership We all have a role in this sport!

- ♥ **The SM CHEER Coach-** Celebrate the talents and gifts God has given each athlete. Help students realize their potential and help prepare the athlete physically: with the development of skills, help with their technique and strategies, to teach them about recovery. Foster teamwork, being a good teammate and sportsmanship.
- ♥ **The SM CHEER Athlete-** perform with the full extent of their potential, to out-prepare their competition in every aspect on and off the field and to give all they can physically, mentally, and emotionally to being all they can be.
- ♥ **The SM CHEER Parent-** responsible for helping their child to develop values like faith, honesty, integrity, humility, courage, discipline, and time management skills. A parent can teach an athlete to be more responsible for their own behavior. A parent can provide the one thing that no one else on earth can provide them: unconditional love and support.

If everyone in this partnership shows support to one another in their role; we attain success! The partnership will suffer when a parent crosses the boundary by: telling an athlete how to prepare, telling a coach how to do their job, living vicariously through the athlete or trying to coach the athlete.

Conflict Resolution

- Communication concerning SMCHS athletic programs are welcomed and encouraged when motivated by a sincere desire to improve the quality of an athletic program and/or an athlete's participation therein.
- There are situations that may require a conference between the coach, athlete, and the parent. When these conferences are necessary, please adhere to the following SMCHS athletic communication protocol to resolve the concern:
 - **Step 1 Athlete-Coach:** To empower our athletes to learn personal responsibility, they must communicate their concerns/questions directly to their coach and or cheer director before having someone else do this for them. Every effort should be made to resolve the problem at this level.
 - **Step 2 Athlete-Coach/Cheer Director-Parent:** If an issue still needs to be resolved, the athlete and parent(s) or legal guardian(s) should email and set up an appointment with the coach/cheer director. Communication with a coach regarding a concern should never take place at or immediately after a game or event.
 - **Step 3 Athlete-Coach/Cheer Director-Parent-Athletic Director:** If an issue still needs to be resolved, the Athletic Director will set up a meeting with all those involved.
- **Please note that since the athlete and coach are the only two people who work together daily, both parties should be included in all communication.**
- Playing time and level or position placement are the sole responsibility and discretion of the coach.
- After following steps 1-3, any unresolved issues can be referred to the Assistant Principal of Athletics and Principal by submitting an email "statement of concern" (S.O.C). This S.O.C. must include the following: name of coach, specific sport and level of competition, general athletic concern involved, and brief but specific summary of the nature of the issue and the facts surrounding same. Once the completed S.O.C. is received by the administrator in charge of athletics, a meeting including all parties involved will be scheduled for the purpose of resolving the issue. Reprisals will not be taken against any parent or student athlete for expressing their concerns or participating in the conflict resolution process.
