## I. INSTRUCTIONS, SUBMISSION REQUIREMENTS AND PROCEDURES

**1.1 GENERAL INFORMATION:** The following instructions by the District are intended to afford Proposer(s) an equal opportunity to participate in the proposal process and provide a predetermined set of criteria representing the District's business and service requirements. This proposal is governed by Texas Education Code (TEC), other applicable Texas state statutes, and all local Board of Education (Board) policies.

**1.1.1 CODE OF SILENCE AND CONFLICTS OF INTEREST:** The Board of Education (Board) has adopted a "Code of Silence" policy (ref. [Board Policy CAA \(Local\)](#)) and a "Conflict of Interest Disclosures" policy (ref. [Board Policy BBFA \(Local\)](#)) to enforce its commitment to ethical contracting standards and improve accountability and public confidence. It is important to avoid both the appearance of conflicts and actual conflicts of interest.

1.1.2 The "Code of Silence" shall mean a prohibition on any communication regarding any RFP, bid, or other competitive solicitation between:

1. Any person who seeks an award from the District or its affiliated entities, including a potential vendor or vendor's representative, and
2. Board of Directors, the Superintendent of Schools, senior staff members, principals, department heads, directors, managers, or other District representatives who have influence in the evaluation or selection process.

The "Code of Silence" time period shall begin when the Request for Proposal (RFP) is issued and ends upon the execution of the contract. During the "Code of Silence", campaign contributions, gifts, donations, loans, and any other items of value are prohibited between these parties, including candidates who have filed for election to the Board.

The "Conflicts of Interest Disclosures" requires a Board of Director to disclose and recuse himself or herself from voting on any contract, agreement, or any other District transaction involving an entity or related officer and/or key employee who has provided campaign contributions during the preceding 12 month period in excess of \$500.

Board Policy CAA (Local) pertaining to the "Code of Silence" and Board Policy BBFA (Local) pertaining to "Conflicts of Interest Disclosures" are attached by URL link above and incorporated by reference. Please review the policies carefully and ensure that the policies are followed in all respects. Proposer(s) agree and understand that non-compliance with the "Code of Silence" policy may result in disqualification. Furthermore, the failure of a Board member to disclose a conflict of interest may result in the debarment of a vendor for 24 months.

1.1.3 By submitting a proposal, the Proposer agrees to provide the goods/services in full accordance with the specifications and other contract documents notwithstanding existing material and labor markets conditions.

1.1.4 The designated RFP manger during the proposal process shall be Reynaldo Cantu ("Purchasing Agent"), Administration, 7001 E. Expressway 83, Mercedes, Texas 78570, [reynaldo.cantu@stisd.net](mailto:reynaldo.cantu@stisd.net). All communications pertaining to the RFP shall be addressed in writing to the Purchasing Agent as indicated in the next paragraph.

1.1.5 Questions concerning the RFP will be answered only if sent to the Purchasing Department, in writing via email to [reynaldo.cantu@stisd.net](mailto:reynaldo.cantu@stisd.net), April 29<sup>th</sup>, 2024 at 4:00 PM CST. All questions submitted in writing to the Purchasing Agent prior to the deadline will be answered in the form of addenda. All addenda will be posted on the STISD website.

The Board of Education has approved a resolution establishing policy requiring Supplier(s) to have paid all assessed

## RFP 25-008 Hazardous Waste & Chemical Surplus Disposal

taxes and be free of any indebtedness to the District before a project is awarded.

Proposer(s) shall provide the District with a statement concerning any indebtedness, including personal and real property taxes, when submitting responses.

1.1.6 In an effort to encourage minority and women owned businesses to participate in STISD business and submit proposals based upon their capacity to perform and be successful, this project may be awarded to more than one Proposer if it is in the best interest of the District to do so. Interested Proposer(s) should obtain additional information concerning the District's location of schools and offices and consider submitting their proposal for any one or more schools and/or departments, or the entire District.

1.1.7 All costs related to the preparation and submission of this proposal shall be paid by the Proposer. Issuance of this RFP does not commit STISD, in any way, to pay any costs in the preparation and submission of the proposal. Nor does the issuance of the RFP obligate STISD to award, enter into an agreement, or purchase any goods and services stated in the RFP.

**1.2 DEFINITIONS AND TERMS:** In this RFP, terms are used as follows:

Insert all addenda under this section.

**1.5 SUBMISSION OF PROPOSALS:** The Proposer(s) should propose his/her lowest and best price, (as applicable), on each good/service which is the subject of this RFP. Proposals shall be submitted in strict compliance with the instructions set out in this RFP.

1.5.1 All prices shall be entered on the proposal in ink or typewritten. All required signatures shall be original and in ink.

1.5.2 Proposed prices should be firm (fixed). If the Proposer(s), however, believes it necessary to include in his/her price an economic price adjustment, such a proposal may be considered, but only as an alternate proposal and should be noted in the Exception Form (FORM E). The economic price adjustment should give the maximum price increase or decrease (either % or \$) and the date and/or event at which the increase would be effective. Additionally, if a Proposer has reason to believe a better (more cost effective) method is practical, then the Proposer may offer that better pricing option as an alternative.

1.5.3 All costs associated with the project must be enumerated in the proposal. Any costs associated with the project not explicitly enumerated and discussed in the proposal will not be honored. Proposer(s) shall provide information on their standard fee arrangement for any goods and/or services proposed, and any discounts offered. Proposer(s) must include in the cost proposal all travel and accommodation expenses associated with travel to perform this project. Travel expenses associated with the project must conform to a "reasonableness" test for travel expenditures associated with governmental travel and must be pre-approved by the District before being incurred.

1.5.4 The District's standard freight terms are F.O.B., destination, prepaid and allowed. STISD may specify various and different locations within the District for "destination" during the term of the Agreement, or extension of the term, and prices should include allowances for such freight contingencies. No C.O.D. shipments will be accepted. If the goods are not shipped in accordance with STISD's directions and the instructions set out in the Agreement, the Supplier shall pay to STISD any excess cost incurred by District.

1.5.5 Proposer(s) are required to provide STISD with a menu of any optional services offered. Each service must be priced separately and independent of any other services offered or rendered.

1.5.6 STISD is exempt from and will not be responsible for payment of any taxes.

1.5.7 Failure to manually sign the required forms of this proposal may result in rejection of the proposal.

1.5.8 A signed submitted proposal constitutes an offer to perform the work and/or deliver the product(s) specified in this RFP.

**1.6 FINANCIAL INFORMATION:** Proposer(s) may be required to submit a current audited financial statement. The District will determine the necessity of financial information. In the event the Proposer(s) does not have an audited statement, other information such as an unaudited statement or copies of the Proposer(s)' federal income tax returns, with all amendments, may be required.

**1.7 DISCUSSIONS / NEGOTIATIONS:** Discussions/negotiations may be conducted with Proposer(s) who are deemed to be within the final competitive range; however, STISD reserves the right to award a contract without discussions/negotiations. The competitive range will be determined by STISD and will include only those initial proposals that STISD determines have a reasonable chance of being awarded a contract. If discussions/negotiations are conducted, Proposer(s) may be required to submit a best and final offer. The best and final offer may be required as early as 24 hours after completion of negotiations/discussions.

# RFP 25-008 Hazardous Waste & Chemical Surplus Disposal

**1.8 BEST AND FINAL OFFERS:** Best and final offers must be received by the date/time provided during discussions/negotiations, or the originally submitted proposal will be used for further evaluation and award recommendation.

**1.9 MODIFICATION OR WITHDRAWAL OF PROPOSALS:** Proposals may be modified or withdrawn by written or electronic notice received by the Purchasing Agent prior to the exact hour and date specified for receipt of proposals. A proposal may also be withdrawn in person by a Proposer's authorized representative prior to the Proposal Due Date and time, provided the Proposer's identity is confirmed and Proposer's representative signs a receipt for the proposal.

**1.10 OPENING PROPOSALS:** All proposals may be opened May 7, 2024 2:00pm CST. A formal public "opening" will not be held. Trade secrets and confidential information contained in proposals shall not generally be open for public inspection, but STISD's records are subject to the State of Texas Public Information Act requirements.

**1.11 SCHEDULE:** The following schedule and timelines apply to this RFP.

1.11.1 **Proposal Schedule:** STISD desires to complete the proposal process in accordance with the following timeline which is subject to change at the District's discretion:

for lateness of U.S. Mail, Commercial (Professional) Carrier, personal delivery, or any other delivery method. The time and date stamp clock in the South Texas ISD's Administration, 7001 E. Expressway 83, Mercedes, Texas 78570, shall be the official date and time of receipt. **1.12 RETENTION OF PROPOSAL DOCUMENTATION:** All proposal materials and supporting documentation that are submitted in response to this proposal becomes the permanent property of STISD.

**1.13 RESERVATION OF RIGHTS:** The District reserves the right to reject any and all proposals. The District reserves the right in its sole discretion to accept the proposal(s) it considers the best value for the District, and the right to waive any and all minor irregularities in the proposal(s). Additionally, the District reserves the right to waive any requirements of the RFP. The District further reserves the right to reject all proposals and seek new proposals when such action would be deemed in the best interests of the District.

**1.14 APPEAL PROCESS:** Any Proposer(s) that submitted a proposal may appeal the District's award, if the appeal is based on deviations from laws, rules, regulations, or Board of Education policies. Board of Education GF Local applies to Proposer(s) wishing to appeal a proposal and/or award of a contract: Proposer(s) shall submit appeals via U.S. mail or electronic-mail (e-mail), utilizing the District Dispute Resolution Form, to the Assistant Superintendent of Finance & Operation, and appeals must be received no later than 4:00 P.M. on or before the fifteenth (15<sup>th</sup>) business day after Board Award. In the event that a Proposer is unsure about the Board Award, it is the Proposer's responsibility to contact Purchasing Dept. on the next business day after the Board Award is announced, and verify the specifics concerning the Award. Proposers need to conduct whatever research is necessary to verify the Award, and, in the event that an appeal is filed, must meet the fifteenth business day rule stated in GF Local. The 15 days begins to run on the first business day after Board Award is announced.

## II. GENERAL TERMS AND CONDITIONS

The following terms and conditions are incorporated into this RFP and incorporated into any letter agreement or formal written agreement between STISD and the successful Proposer(s).

### **2.1 AGREEMENT, INTEGRATION, TERM & TRANSITION, PURCHASE ORDER REQUIREMENTS:**

2.1.1 The terms, conditions, specifications, stipulations and requirements stated in this RFP, and any and all Addenda issued by STISD shall become part of the Agreement entered into between the District and the Supplier, unless otherwise determined by the District per the Agreement provisions. The Supplier, as determined by the District, may be required to execute a written contract to furnish all goods and/or services and other deliverables required for successful completion of the proposed project. **No Supplier shall obtain any interest or rights in any award until the District has executed the Agreement.** The District reserves the right to require any modification, or modifications to the Agreement terms if the modifications are deemed to be in the best interest of the District and do not substantially change the scope of the Board award.

2.1.2 The District does not sign Supplier contract forms. Supplier(s) should be familiar with the District's Agreement form, Agreement letter and/or purchase order and indicate in its proposal that this type of project documentation is acceptable. This information should be included in the transmittal letter. In the event that a project is awarded to a Supplier and the Supplier requests changes to the District standard Agreement form, the District reserves the right to cancel the award and re-award the project to an alternate Supplier(s).

2.1.3 In the event of a license agreement or other contract document requested by the Supplier for execution, the District reserves the right to review and amend such document at the District's discretion.

2.1.4 The Request for Proposals, with all Addenda, those provisions in the proposal that are satisfactory to the District, and the District's Agreement form(s), which may include, but are not limited to a written contract, agreement letter or purchase order constitute the Agreement between the Supplier and the District (collectively, the "Agreement"). NOTWITHSTANDING ANYTHING TO THE CONTRARY IN ANY SUPPLIER FORM, PROPOSAL OR DOCUMENTATION, THE TERMS AND CONDITIONS OF THE AGREEMENT AS INTEGRATED ABOVE SHALL BE CONTROLLING IN ALL INSTANCES. To the extent there is any conflict between or among the documents composing the Agreement, the following hierarchy (from most to least authoritative) shall prevail: (i) District's Agreement forms (written contract, agreement letter or purchase order as applicable), and (ii) RFP as provided by the District all Addenda, and (iii) any Proposal provisions agreed to by the District.

2.1.5 Unless otherwise provided or required by the District, a standard agreement which results from this RFP shall be for a period of one year from the effective date of the Agreement with an exclusive option by the District to renew on an annual basis thereafter for two additional one-year terms, or as otherwise stated in the Agreement. Alternately, the District may approve longer or shorter terms of agreement upon the mutual consent of the parties. At the District's option, there may be an additional 90-day transitional period added to the end of the initial term or any renewal term. The Agreement prices, terms and conditions are to remain in force during the transitional period. Should the Agreement with the Supplier terminate during the initial or any renewal term for any reason, the District reserves the right to have the same transitional period, prices, terms and conditions as if the Agreement terminated at the expiration of that term.

2.1.6 At the discretion of the District, purchases may require the issuance of an official STISD purchase order from the District's Procurement Services Department. If so required, then all goods provided without a purchase order will be returned at Supplier's expense. All services provided without a purchase order may be considered a contribution to the District.

2.1.6.1 STISD reserves the right to make changes to a purchase order (e.g., increase/decrease quantities,

## RFP 25-008 Hazardous Waste & Chemical Surplus Disposal

change delivery date, delivery address). Any changes to a purchase order shall be communicated to the awarded supplier by the issuance of a formal change purchase order. Only an STISD procurement staff member may make a change to the purchase order by issuing and sending a formal change purchase order to the awarded supplier.

2.1.7 Once the performance of the Agreement has begun, any change orders or requests will be made in accordance with Texas Education Code Section 44.0411 and applicable STISD procedures and policies. If Supplier acts on the direction of a District employee that is not authorized to make changes, Supplier does so at his or her own risk or peril and risks termination of the Agreement for cause. Also, if a Supplier attempts, or receives, a modification/amendment from a District employee that is not authorized to make changes, the Supplier does this at his or her own risk or peril and risks termination of the Agreement for cause.

**2.2 NON-ASSIGNMENT:** The Supplier may not assign, sell, or otherwise transfer its interest in the Agreement award or any part thereof, without prior written consent from the District. The Supplier shall have full responsibility for the completion and performance of all services and the delivery of all goods awarded to Supplier pursuant to this RFP.
