

Pathways in Technology Early College High School (P-TECH)

REGIONAL WORKFORCE INFORMATION

WORKFORCE SOLUTIONS CAMERON COUNTY TARGETED OCCUPATIONS

The Workforce Solutions of Cameron County have high demand occupations that support local, growing industries and meet the following criteria:

- Meets Board policy for training cost and duration (up to 2 years post-secondary training);
- Have at least one college or other training provider within commuting distance of the area;
- Provides for career progression opportunities; and
- Training in the occupation leads to a high likelihood of placement in a job in the area upon completion.

The targeted occupations, can be found in this list under the Cameron County Board Area (Licensed Practical and Licensed Vocational Nurses, Welders, Cutters, Solderers, and Brazers, Elementary School, Except Special Education, and Secondary Teachers, Except Special Education):
