

# Strategic Vision Update

**Board of Education  
Presentation  
4/18/2023**

# Goal 1: Student Success

Loveland City School District prioritizes individualized learning opportunities in the pursuit of academic excellence to create career-ready, lifelong learners.

# Goal 1: Objective 1

**Career Pathways: Loveland City School District will expose our students to the many pathways to lifelong success through enlistment, enrollment, or employment.**

	22-23	23-24	24-25	25-26	26-27
Develop a consistent approach to exploring careers and career readiness for all students PK-12.					
Match student strengths and passions with established career clusters to encourage exploration.					
Partner with local businesses and community members to provide experiential learning opportunities.					

# Goal 1: Objective 2

**Personalized Learning: Loveland City School District will match our teaching and learning strategies to each student's strengths to help them discover their individual potential.**

	22-23	23-24	24-25	25-26	26-27
Equip staff with the skills to create personalized learning plans and strategies.					
Create learning plans that measure the personalized growth of students for consistent support as they progress PK-12.					
Prioritize continuity of district programs and course offerings to help students reach their individual potential.					

# Goal 1: Objective 3

**Interest-Based Learning: Loveland City School District will allow students to explore their interests to encourage learning beyond the classroom.**

	22-23	23-24	24-25	25-26	26-27
Leverage the strengths and passions of the individual learner to develop engaging classroom content.					
Provide enrichment options for students to explore their curiosity and interests.					
Build community partnerships to provide students opportunities to continue learning beyond the classroom.					

# Goal 2:

# Collaborative Culture

**Loveland City School District develops resilient individuals, motivated by a culture of continuous growth, who are given space to thrive in a safe and nurturing environment.**

# Goal 2: Objective 1

**Whole Child Focus: Loveland City School District will focus on student wellness by supporting the whole child.**

	22-23	23-24	24-25	25-26	26-27
Build practices to develop students who are resilient, problem solvers, communicators, and critical thinkers.					
Partner with families to provide support for student wellness, mental health, and safety.					
Build consistent expectations and practices to help students model our core values of care, respect, and responsibility					

# Goal 2: Objective 2

**Building Continuity: Loveland City School District will guide students from grade to grade, and building to building consistently.**

	22-23	23-24	24-25	25-26	26-27
Create consistent practices for successful student transitions between grades and buildings.					
Ensure consistent, age-appropriate student behavior expectations across buildings.					
Streamline systems to improve family access to students' assignments, grades, and teachers.					

# Goal 2: Objective 3

**Welcoming Environments: Loveland City School District will establish a culture where every student is a valued member of our school community.**

	22-23	23-24	24-25	25-26	26-27
Meet the learning needs of our diverse Loveland City Schools students.					
Build on our tradition of including students of all abilities in the full school experience.					
Work to remove barriers to student involvement in activities that enrich the school experience.					

# Goal 3: Community Engagement

Loveland City School District is a vital part of the Loveland community and will provide opportunities for 2-way engagement and communication.

# Goal 3: Objective 1

**Two-Way Engagement: Loveland City School District will build relationships with families and community members to develop students and community ambassadors.**

	22-23	23-24	24-25	25-26	26-27
Encourage the use of our buildings as a community resource for activities beyond school.					
Promote school activities to the broader Loveland community to increase involvement.					
Develop opportunities for our students to volunteer in the community and community members to volunteer in our schools.					

# Goal 3: Objective 2

**Two-Way Communication: Loveland City School District will communicate with stakeholders effectively.**

	22-23	23-24	24-25	25-26	26-27
Gather feedback from stakeholders to ensure communication is shared effectively.					
Leverage in-person meetings and collaborative digital tools to provide opportunities for community feedback.					
Communicate consistently with families, staff, and community members across multiple channels.					

# Goal 3: Objective 3

**Two-Way Communication: Loveland City School District will continue to build upon the great #beLOVELand spirit and Tiger traditions that exist in the community.**

	22-23	23-24	24-25	25-26	26-27
Celebrate the many ways our students achieve.					
Showcase for our community the classroom activities that make Loveland unique.					
Encourage community support of our booster and PTA groups; reimagine and reinvigorate the Loveland Schools Foundation.					

# Goal 4: Fiscal Responsibility

Loveland City School District supports our students' evolving educational and facilities needs in a fiscally responsible

# Goal 4: Objective 1

**Community Engagement: Loveland City School District will inform stakeholders about students' needs, fiscal decision-making, and school funding.**

	22-23	23-24	24-25	25-26	26-27
Educate stakeholders about Ohio's school funding system, focusing on funding sources and rules.					
Partner with our community to ensure our students' educational needs are met with appropriate funding.					
Communicate the rationale behind the use of funds and alignment with district financial goals.					

# Goal 4: Objective 2

**Diversification of Funding Sources: Loveland City School District will establish community, educational, and corporate/business partnerships.**

	22-23	23-24	24-25	25-26	26-27
Advocate for solutions to Loveland's unique state funding challenges.					
Leverage corporate partnerships to expand student educational offerings.					
Utilize fundraising and grant writing as additional sources of funding.					

# Goal 4: Objective 2

**Diversification of Funding Sources: Loveland City School District will establish community, educational, and corporate/business partnerships.**

	22-23	23-24	24-25	25-26	26-27
Advocate for solutions to Loveland's unique state funding challenges.					
Leverage corporate partnerships to expand student educational offerings.					
Utilize fundraising and grant writing as additional sources of funding.					

# Goal 4: Objective 3

**Improving Education Environments: Loveland City School District will create a long-term funding model to ensure ongoing student success.**

	22-23	23-24	24-25	25-26	26-27
<b>Balance student needs and strategic plan goals with our commitment to fiscal responsibility.</b>					
<b>Embark on a strategic facility planning process to determine needs.</b>					
<b>Explore creative funding opportunities to guarantee continued student success for future generations.</b>					

# Building Alignment

**Goal 1, Objective 1: Career Pathways:** Loveland City School District will expose our students to the many pathways to lifelong success through enlistment, enrollment, or employment.

Strategies	Bldg	Progress Monitoring Indicators
Develop a consistent approach to exploring careers and career readiness for all students PK-12.	LECC	Community Helper focus within PS and KG curriculum.
	LPS	Continue our Mentor Program by matching teachers with nominated students and deliver on-going strategies for working with students via "Mentor Moment" emails created by counselors, school psychologists and behavior specialist.
	LES	Continue our Mentor Program by matching teachers with nominated students and deliver on-going strategies for working with students via "Mentor Moment" emails created by counselors, school psychologists and behavior specialist.

# Building Alignment

Strategies	Bldg	Progress Monitoring Indicators
<p>Develop a consistent approach to exploring careers and career readiness for all students PK-12.</p>	<p>LIS</p>	<p>We will continue to collaborate with our PTSA to plan and provide students the opportunity to experience LIS Science Day. Volunteer presenters share information and provide experiences for our Tigers in all different areas of Science.</p> <p>6th Graders start to work with our Career and College Readiness Counselor to start exploring careers in the Naviance program.</p>
	<p>LMS</p>	<p>Working with our departments, school counselors and with district administration, we will continue to look for new opportunities for student learning experiences (elective opportunities, career exploration, experiential learning, etc.) that support our student career interests and academic pathway expansion at LMS.</p> <p>Through collaboration with individual departments and with the Career and College Readiness Counselor, LMS will implement and plan for supporting real-world skills and career and college readiness learning opportunities for students and families. Opportunities include: Tiger Time lessons, Tiger Talk messaging, student lunch and learns, parent presentations, Interview Day, Career Day, etc.</p>
	<p>LHS</p>	<p>LHS students will have the opportunity to take part in internships and job shadowing experiences through the Office of School Counseling.</p>
