Call Meeting to Order

Welcome Everyone / Introductions Andrea Griffith

Principal's Report:

Mr. Buterbaugh

- The Winter Formal was a few weeks ago, and it was great to have parent support. The winter formal had 177 students and they were well behaved.
- The rules should be gone over before the dance, such as how to socialize, cell phone etiquette and dress code. Parents can talk to their children and maybe teachers can go over it too.
- The decorating at the dance was amazing! The parents did a really great job.
- It was also great the way the volunteers were delegated to specific jobs.
- We're still looking for a front office secretary.
- We're launching math support this week. There's going to be 2 sessions a week.
- We're also going to start after school tutoring this month.
- We started CDTs this week, and they will also be next week.
- There will be a parent orientation for Sun Valley. We don't know what day it will be yet. Sun Valley will be picking the day.
- A guidance counselor will come to 8th grade classrooms in January/February to help students pick high school electives.

Teacher Representative's Report:

- The holiday lunch provided was phenomenal.
- The letter for NJHS goes out the first or second week of February.
