HAPPY DECEMBER BIRTHDAYS!

NURSE'S CORNER

It can be hard to decide whether or not your child is too sick to go to school. You should keep your child home if he/she might spread a contagious disease to other children or if he/she is too sick to get through the school day. Children who are sick have a hard time learning and may get other children sick.

If your child has any of the following, he/she should be kept home from school:

1. Fever over 100 degrees. Keep child home until temperature is normal for 24 hours without Tylenol or Ibuprofen (Motrin or Advil).
2. Vomiting or diarrhea. Keep child home until he/she has no vomiting or diarrhea for at least 24 hours.
3. Frequent cough or thick, runny nose that is not clear. Keep child home until symptoms have disappeared or significantly decreased.
4. If your child has a sore throat and fever, or a severe sore throat without fever.
5. If your child is prescribed an antibiotic, please keep home until he/she has been on the antibiotic for 24 hours and is without fever for 24 hours without Tylenol or Ibuprofen (Motrin or Advil).
6. If your child is unusually irritable or shows unusual behavior, we will contact you and may request that you pick up your child from school.
7. If your child has impetigo, or other sores that are oozing or bleeding, he/she should stay home until the sores have dried up and are scabbed over. If the sores can be covered with a bandage bigger than a regular band-aid, he/she may attend school with school nurse or principal approval.

8. Pink Eye. If your child's eye is red with cloudy or yellow drainage, he/she should stay home until symptoms are gone.
9. A cough that is worse than you would expect with a cold, especially if it keeps him/her awake at night, or if he/she is having a hard time breathing.

If your child develops any contagious symptoms during the school day, he/she will be required to return home. Please make sure we have your **current home/work/cell phone numbers** and an emergency number if we are unable to reach you. Please keep your contact details updated via the Parent Portal.

Your cooperation will keep our students and staff as healthy as possible.
