

SUMMER WORK PROGRAM

Rising
First Grade
2024-2025

REQUIRED SUMMER WORK FOR RISING FIRST GRADE

Required Summer Reading:

All students in Rising First Grade are asked to engage in reading for **at least 50 minutes per week (10 minutes/day for 5 days)**. Keep track of all your reading using the [Summer Reading Log](#). You will turn your log in at the start of the school year!

*We have put together a [Summer Reading List](#) with **suggested** titles for your upcoming grade level. In addition to this list, you may pick out books you want to read from your local library, listen to stories, and/or have an adult read to you! **ALL reading counts!**

Required Summer Math:

All students in Rising First Grade are asked to practice math skills for **at least 50 minutes per week (10 minutes/day for 5 days)** this summer by using **Khan Academy**. There are two options with Khan Academy. Both are free with a parent login.

Option 1: Download the [Khan Academy App](#) and practice your Math skills! For instructions on how to access Math skill practice, please follow [these instructions](#). Keep track of skills you practiced on the [Summer Math Log](#).

Option 2: Access "Early Math Review" on [Khan Academy](#). This will take you to an online course appropriate for Rising Pre-K-2nd grade. Pick units you want to do to practice your skills! Keep track of skills you practiced on the [Summer Math Log](#).

Your [Summer Reading](#) and [Math](#) Logs will be turned in throughout the first week of school.

OPTIONAL SUMMER WORK FOR RISING FIRST GRADE

Rising First Grade students are invited to participate in the optional **Summer Badge Program** for extra reading and writing practice. **Please go to the [Haverford Summer Work](#) website to access the Summer Badge instructions for your grade level.**
