NURSE'S CORNER

Hello Howard students and families! I am Mary Brock, RN, Howard High's School Nurse. It is my sincere hope that this note finds you doing well! Please know that the Department of Public Health (DPH) requires students enrolled in public schools or childcare facilities to have certain immunizations or a notarized affidavit of religious exemptions in order to attend these

facilities. This is especially important for our eleventh graders as there are immunizations required prior to entering the 11th grade that can potentially effect attendance eligibility.

Effective July 1, 2021, children 16 years of age and older, who are entering the 11th grade (including new entrants), must have received one booster dose of the meningococcal conjugate vaccine (MCV4), unless their initial dose was administered on or after their 16th birthday. Meningococcal disease is a serious bacterial illness that affects the brain and the spinal cord. Meningitis can cause shock, coma and death within hours of the first symptoms. If your teen has not been vaccinated against meningococcal disease, we strongly recommend getting your 11th grader, aged 16 years or older, vaccinated as soon as possible. Getting MCV4 (meningococcal conjugate vaccine) now will not only help protect your child against the ongoing threat of meningitis, it will also meet the new school entry requirement.

For more information, visit

<http://dph.georgia.gov/vaccines-children> or call (800) 848-3868.

For questions or concerns, I may be reached via email at Mary.Brock@bcsdk12.net or via phone at 478-779-4855. Also, please visit the Howard High School Nurse webpage at

https://howardhs.bcsdk12.net/our_school/departments/nurse to access forms needed for the Clinic.

SELF-CARE CORNER

By Ellie Farriba

As we "Breathe for Beginnings" this first month of school, take the time to check out the free resources at www.breatheforchange.com/resources that are designed for teachers. There are free classes available and a blog that offers many strategies to incorporate SEL into your classroom.

Below is a simple meditative breathing exercise that you can do anytime you need more than a quick breath break.

Put on some relaxing music and sit or lie down so that you are comfortable.

1. Take a deep breath: inhale and then exhale.
2. Gently close your eyes (not before you finish reading this though!)
3. Focus your mind on a place you love. Somewhere that brings you joy, happiness, and peace.
4. Then, slowly...imagine how it sounds...looks...smells...tastes...feels...when you are actually there.
5. Now put all of these sensations together and let your mind explore and wander through the experience.
6. Breathe...In and out...Take a few moments to soak up the feeling of being in that place you love.
7. When you are ready, slowly return to where you are and open your eyes.
8. To seal the practice, place one hand on your heart and the other one on top and take 3 deep breaths of gratitude.

LAPTOP INFORMATION AND CARE

•Students are not allowed to use personal devices at school. All students must use a school issued device during the school to complete assignments. Visit the media center to check out a laptop if you do not have a school issued device.

***Remember to bring your charged laptop to school daily and keep up with your charger!**

*Always keep your laptop closed when you need to walk with your laptop and it's not in the carrying case.

•Never carry your laptop while open or lift the laptop by the screen/monitor! Handling your laptop in this manner can damage your screen.

•Do not place paper/objects between your keyboard and monitor, it will crack your screen!

•Keep drinks and liquids away from your computer. A spill can damage the hard drive and the motherboard. These type of damages may cost the same price as a new laptop to replace, Please be careful!

MEDIA CENTER SERVICES

The Media Center welcomes Huskies to the 2023-2024 School Year!

Library books may be checked out from the media center after reviewing the Media Center Orientation and Digital Citizenship PowerPoint. Teachers will verify with Mrs. Johnson when the students have completed the Orientation.

Students may sit in the media center after arriving to school from 7:05 a.m. -7:25 a.m. The media center also welcomes students during each lunch period, no eating or drinking while in the media center. Please go to the cafeteria if you need to eat. Cell phones, ear buds, and personal devices are not allowed.

Students may request print copies by emailing attachments that are school related to:
