### Gifted Screening Notification

Each year, the Bibb County School District screens all students for possible referral for gifted education services. During this period, teachers give particular attention to observing students looking for the typical traits, attitudes, and behaviors (TABs) of a gifted child as well as reviewing achievement data. At the end of the period, students demonstrating exceptional achievement and performance are referred to the **School Gifted Education Eligibility Team** for further consideration.

Parents, guardians, or other concerned individuals may refer students to the school eligibility team for consideration. Students may also refer themselves. **All referrals must be written and sent to the child's teacher no later than Tuesday, December 20, 2022.**

In Georgia, the various test scores used in the gifted evaluation process are **valid and reliable for two years.** Therefore, a student who is tested this year cannot be considered for gifted testing for two years. If you have any questions or concerns about the gifted screening process, please contact a gifted education teacher or counselor at your child's school.

## **LAPTOP CARE**

- Always keep your laptop closed when you need to walk with your laptop and it's not in the carrying case.
- Never carry your laptop while open or lift the laptop by the screen/monitor! Handling your laptop in this manner can damage your screen.
- Do not place paper/objects between your keyboard and monitor, it will crack your screen!
- Keep drinks and liquids away from your computer. A spill can damage the hard drive and the motherboard. Such damages could cause you to pay the total cost to replace the laptop, up to \$300 or more. Please be careful!
