LITERACY CORNER

TYPICAL REASONS Why Kids Don't Like to Read

EXCUSES > SOLUTIONS

Reading is
Boring

Choose 3 books you think you might like to read... one of them usually works out to be really good.

Reading
Takes too Long

Read along with an audio book, it will improve speed and fluency.

The Book is
Way too Long

Choose books that have more pictures or chunk them, read a chapter at a time.

I Hate Reading
'Out Loud'

Record your oral reading privately and then read along with it. You will see your mistakes and your confidence will improve.

I Don't Understand
What I Read

Go over new vocabulary before reading. Try to make an association with the new word with something you already know.

LAPTOP CARE

- Always keep your laptop closed when you need to walk with your laptop and it's not in the carrying case.
- Never carry your laptop while open or lift the laptop by the screen/monitor! Handling your laptop in this manner can damage your screen.
- Do not place paper/objects between your keyboard and monitor, it will crack your screen!
- Keep drinks and liquids away from your computer. A spill can damage the hard drive and the motherboard. Such damages could cause you to pay the total cost to replace the laptop, up to \$300 or more. Please be careful!
