WE HONOR THE PACK!

BE BALANCED

THE IMPORTANCE OF INTERNET SAFETY AND DIGITAL CITIZENSHIP

The Internet is so easy and fun to use that we can easily spend too much time on it. It is important to disconnect from the Internet regularly and spend time on other activities you enjoy such as hobbies, sports, or planning special activities with friends.

Daily students will be reminded to stay safe during the school day!

Be SMART When Using the Internet

Stay safe on the Internet by not sharing personal information or downloading files without permission.

Manage your digital footprint by not oversharing information, because once it is on the Internet you can't get it back.

Act responsibly by standing up to cyber bullies and reporting them to adults.

Respect other people's ideas, thoughts and personal beliefs.

Take regular breaks from technology and the Internet to spend time on other activities and interests.

For more information on internet safety, go to <https://staySAFE.org/teens/>

"Don't Be Late; You'll Miss Something Great"

What is Tardy?

A student arriving to school after the bell, chime or buzzer has sounded

If Tardy...

A student receives an entry pass after being signed in at the front office

Leadership, Scholarship, Citizenship

If your student is late only...	That equals...	Which is...	Over 13 years of school
10 minutes per day	50 minutes per week	Nearly 1 and a half weeks per school year	Almost half of a school year
20 minutes per day	1 hour 40 minutes per week	Over 2 and a half weeks per year	Nearly 1 full school year

Classroom time is critical and we need our students to be present and on time daily!

What Can You Do to Help?

- Wake up early enough to get ready and arrive to school 20 minutes early to avoid long carpool lines, allow your student time to enjoy breakfast, and get ready to start their school day off right!
- Utilize District bus transportation to make sure your child arrives to school on time.
 - Set a regular bedtime schedule and morning routine.
 - Prepare clothes and book bags at night.
- Communicate any issues you may have arriving on time with school personnel.

The Time Is NOW- Help Us Make Every Minute Count!

COUNSELORS CORNER

PROGRESS REPORTS

The final progress report for second semester will be posted to the parent and student portals on Tuesday, April 19th. Students - please make sure that you are communicating with your teachers to find out what you need to do to bring up any failing grades by the end of the semester on May 25th. Remember that promotion to the next grade level is contingent upon you earning the requisite number of credits by the end of the year. Credits are earned for courses passed with a 70 or higher. Please also remember to check your attendance - if you have more than 6 unexcused absences in a class that you are passing at the end of the semester, the grade will be converted to a failing grade of 69 and you will NOT earn credit for the course. Make plans now to attend Attendance Recovery so that this does not happen to you!

ATTENDANCE RECOVERY

Have you been ABSENT?

- Students with more than 5 unexcused absences in a class will receive a grade of 69, if you are passing the course.
- These absences are counted PER CLASS PERIOD.
- If you have been absent more than 5 days in ANY class period, you will need to attend Attendance Recovery in order to keep your grade in the course.
- Every time you attend Attendance Recovery awards you are awarded two class periods of "Made Up Time".
- If this time is not made up by the end of the semester grading period, students will receive a grade of 69 in their course work.
- Attendance Recovery is held Monday- Thursday from 2:45 to 4:15 in room 124. You must sign in and stay the entire time to receive credit. 32 student max capacity. No more than this are allowed to stay.
- You must bring work with you or work on the computer. You are not allowed to be on your phone or sleep during attendance recovery.
- If you are unsure about your attendance, please login to your student portal to see your absence report.

Example of Login Info

Username: 123456 (student ID/lunch code)

Password: jk052505 (lowercase initials and 6-digit birthdate MMDDYY)

- If you are unsure on how to access your Infinite Campus portal, please see Mrs. Jones or Mrs. Martin-Coleman in the counseling suite.

Don't let your attendance take away your credit!

SUMMER SCHOOL 2022

Summer School for Howard High School students will start Monday, June 6 and run through Thursday, June 30.

Students are required to attend summer school IN PERSON - there is no virtual option.

Registration for summer school will be held one day during the week of May 30.

Further information will be shared as the details regarding summer school are finalized; however, if a student failed one or more academic classes first semester, he/she needs to make plans to attend summer school. Not attending summer school to recover credits that weren't earned during fall (or spring) semester most likely means that the student will NOT promote to the next grade level.
