## THE IMPORTANCE OF INTERNET SAFETY AND DIGITAL CITIZENSHIP

### **Be Responsible - Week of March 28 2022**

The Internet provides many opportunities for sharing personal information, pictures and situations. It is important to remember that once you post anything on the Internet it is almost impossible to take it back. Things you post now will become part of your digital footprint and be around years from now when you are trying to get a new job or make new friends. **A good rule to remember is, when in doubt, leave it out!**

Each week a Reminder of How to Be Safe on the Internet will be shared in the POP and you can always check out our school website for more links to help with Internet Safety and Digital Citizenship @ <https://howardhs.bcsdk12.net/cms/One.aspx?portalId=1744442&pageId=2223217>.

Daily students will be reminded to stay safe during the school day, Stay tuned for next week's topic and always **Be Smart When Using the Internet, and Be Responsible!**

## Be SMART When Using the Internet

*Stay* safe on the Internet by not sharing personal information or downloading files without permission.

*Manage* your digital footprint by not oversharing information, because once it is on the Internet you can't get it back.

*Act* responsibly by standing up to cyber bullies and reporting them to adults.

*Respect* other people's ideas, thoughts and personal beliefs.

*Take* regular breaks from technology and the Internet to spend time on other activities and interests.

## Leadership, Scholarship, Citizenship

If your student is late only...	That equals...	Which is...	Over 13 years of school

20 minutes per day	1 hour 40 minutes per week	Over 2 and a half weeks per year	Nearly 1 full school year

**Classroom time is critical and we need our students to be present and on time daily!**

Learn more here: [https://howardhs.bcsdk12.net/parents/georgia\\_milestone\\_assessments](https://howardhs.bcsdk12.net/parents/georgia_milestone_assessments)

February 1, 2022

Dear Bibb County Parents, Guardians, and Students:

The Georgia Milestones Assessments will be administered to 3<sup>rd</sup> – 12<sup>th</sup> grade students beginning April 25 through May 6. The Georgia Milestones Assessment System is a comprehensive summative assessment and is designed to provide information about how well students are mastering the state-adopted content standards in the core content areas of English language arts, mathematics, science, and social studies.

The results from the 2021–2022 Georgia Milestones Assessments will be used to provide parents, students, teachers, and schools information on how to best meet the learning needs of the students during the upcoming school year. In grades 3, 5, and 8 the Georgia Milestones Assessment scores may be used for promotion, placement, or retention decisions. Students who fail the first administration of the test will re-test June 27–30. If a student does not pass the Milestones Re-test, the student may be retained or administratively placed to the next grade level.

**Promotion Criteria:**

- Third graders who receive "Below Grade Level" on the Reading Status of the Georgia Milestones may not be promoted to the next grade.
- Fifth graders who receive "Below Grade Level" on the Reading Status and/or "Beginning Learner" on math of the Georgia Milestones may not be promoted to the next grade.
- Eighth graders who receive "Below Grade Level" on the Reading Status and/or "Beginning Learner" on math of the Georgia Milestones may not be promoted to the next grade.

**High School Information Only:** The Georgia Department of Education has determined that the Georgia Milestones End-of-Course Assessments have a weight of 20% of the student's final grade in the course.

The following high school courses require an End-of-Course assessment:

- American Literature and Composition
- Algebra I
- Biology
- US History

If you have any questions, please feel free to contact your child's school.

Sincerely,

Estimados Padres, Guardianes y Estudiantes del Condado de Bibb:

Las Evaluaciones de Georgia Milestones se administrarán a estudiantes de 3<sup>ra</sup> a 12<sup>ta</sup> grado a partir del 25 de abril hasta el 6 de mayo. El Sistema de evaluación de Georgia Milestones es una evaluación sumativa integral y está diseñada para proporcionar información sobre qué tan bien los estudiantes dominan los estándares de contenido adoptados por el estado en las áreas de contenido básico de lengua y literatura en inglés, matemáticas, ciencias y estudios sociales.

Los resultados de las Evaluaciones Georgia Milestones de 2021–2022 se utilizarán para proporcionar a los padres, estudiantes, maestros y escuelas información sobre cómo satisfacer mejor las necesidades de aprendizaje de los estudiantes durante el próximo año escolar. En los grados 3, 5 y 8, los puntajes de la evaluación Georgia Milestones pueden usarse para decisiones de promoción, ubicación o retención. Los estudiantes que no aprueben la primera administración de la prueba volverán a tomar la prueba del 27 al 30 de junio. Si un estudiante no aprueba la Reevaluación de Milestones, el estudiante puede ser retenido o colocado administrativamente en el siguiente nivel de grado.

**Criterios de promoción:**

- Los estudiantes de tercer grado que obtengan una calificación "Por debajo del nivel de grado" en lectura de Georgia Milestones no podrán ser promovidos al siguiente grado.
- Los estudiantes de quinto grado que obtengan una calificación de "Por debajo del nivel de grado" en lectura y/o "Estudiante principiante" en matemáticas de Georgia Milestones no podrán ser promovidos al siguiente grado.
- Los estudiantes de octavo grado que obtengan una calificación "Por debajo del nivel de grado" en lectura y/o "Estudiante principiante" en matemáticas de Georgia Milestones no podrán ser promovidos al siguiente grado.
