

What is a School - Parent Compact?

A School - Parent compact is an agreement that parents, students, and teachers develop together. It outlines how parents, teachers, and staff will work as a team to ensure all of our students reach or exceed grade - level standards and expectations.

Let's work together!

Our school Parent Involvement policy will be developed in partnership with parents/caregivers and will be made available to all families.

Our school will make the Parent Involvement Policy available to the local community by including the policy in the weekly newsletter, posting on the school website, and having copies available in the main office .
