

Dear families,

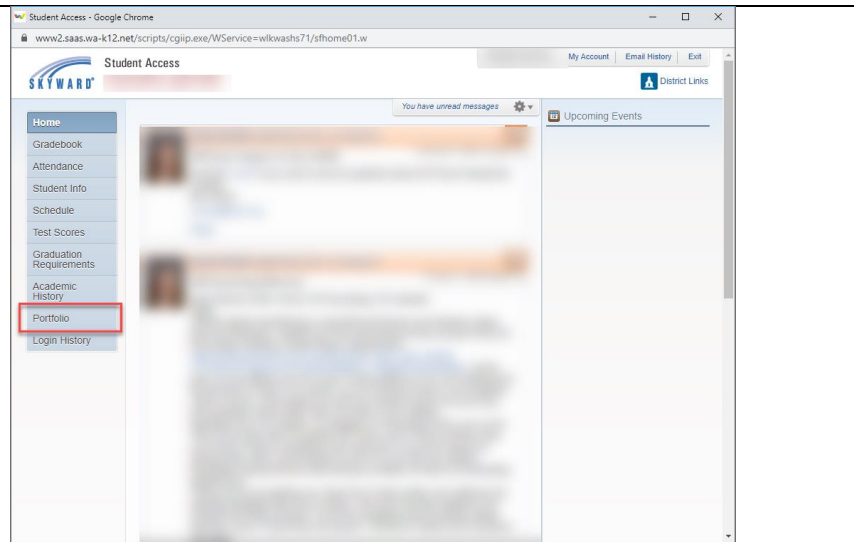

Results for Highly Capable service identification are now available in your student's Skyward account. Directions for accessing these results are below. Only students referred or in Universal Screening grades (1st and 5th) who were not opted out will have the Highly Capable Results item in their portfolio.

If your student came to the District in January 2024 or after, or your student was referred but is not assessing until April, their results will be accessible by the end of the school year. Our department will provide information regarding access to their Highly Capable Results at the appropriate time.

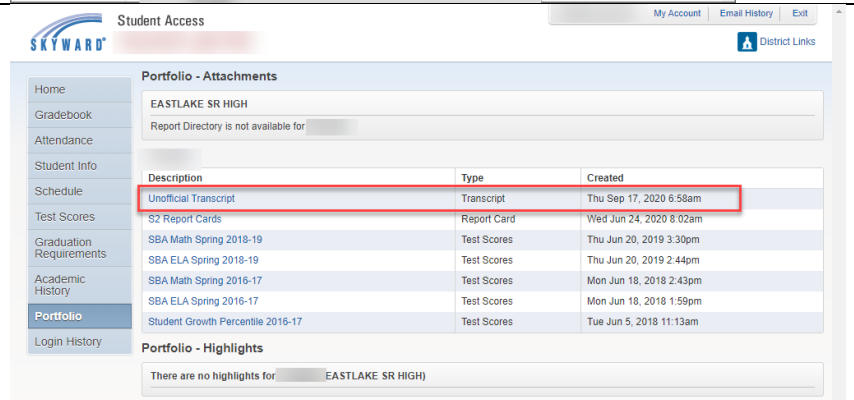

Directions for accessing results in Skyward:

Directions for Family or Student

- 1) Open up your Family/Student Access account.
- 2) Select "Portfolio" from the left menu.

- 3) Select the "Highly Capable Results" link. (Image for example only)

4) After you click on it, it will download as a .pdf file.
