The Policy Committee is a sub-committee of the EG School Committee and serves in an advisory capacity only. Meetings are open to the public. Policy Committee Members are drawn from the School Committee, EGPS Administration and the Community.

The role of the Policy Committee is to consider matters relating to EGPS policy, to ensure alignment with statutory requirements and to recommend policies and revisions to the School Committee. All policies proposed by the Policy Committee must receive two public readings prior to adoption by a majority vote of the full School Committee.
