

General Wellness Screening for Parents

Every morning before you send your child to school please check for signs of illness:

FEVER 100.4* OR CHILLS *or school board policy if threshold is lower

COUGH* OR SHORTNESS OF BREATH *especially new onset, uncontrolled cough

DIARRHEA, NAUSEA OR VOMITING, ABDOMINAL PAIN

HEADACHE* *particularly new onset of severe headache, especially with fever

SORE THROAT

Does your child have any sign of illness above?

If yes, consider their history. For example, does the child have a chronic health condition (allergies, asthma) that can mimic a viral illness? When in doubt, keep your student home until symptoms improve.

- If you check any of the boxes, **DO NOT** send your student to school. Instead, please keep your student home until they meet the criteria to return to school.
- Follow your school policy for returning to school.
