Itinerario culinario

Una vía CTE es una secuencia de cursos (300 horas o más), dentro de un sector industrial específico y una vía de carrera, que prepara a los estudiantes para opciones postsecundarias en ese campo. Los estudiantes que completan con éxito todos los cursos en la secuencia adecuada y se gradúan de la escuela secundaria se consideran completadores del camino CTE y reciben un Medallón CTE para usar en la graduación.

Estos itinerarios se centran en campos punteros de la industria, como los negocios, la atención sanitaria, las tecnologías de la información, la fabricación avanzada, la hostelería y la gestión, y muchos más.

Para aprender más sobre los caminos de CTE ofrecidos en las escuelas secundarias de NMUSD por favor vea los enlaces de video abajo y/o visite nuestras páginas de camino enlazadas en la barra de navegación a la izquierda.
