

CSU/UC A-G REQUIREMENTS

To meet minimum admission requirements for Cal State University or University of California schools, you must complete 15 year long high school courses known as **"A-G Subjects"**. These courses must also be completed with a letter grade of C or better, at least 11 of them prior to your last year of high school. With the exception of math and language other than English, all subject requirements must be met in 9th through 12th grade.
