

PCPS Happenings

PPS / PES

PPS will begin their "One Book, One School" program during May with a Mad Scientist assembly as a concluding event!

PPS has lots of field days coming up for each grade level. IPOP is traveling to Blue Bird Gap Farm, Kindergarten is going to Virginia Zoo, first grade to the VA Aquarium, and 2nd graders have an in-house field trip with the VA Aquarium and a trip to Jamestown. We are grateful our students can have such enriching outings!

Our PPS and PES PTO groups are hard at work, offering assemblies directly related to instructional learning, Bag-It-Book giveaways, as well as holding a joint Color Run event on April 26th! We love having involved parents who not only support our students, but our entire staff as well!

PPS and PES had a great time viewing the solar eclipse on April 12th! We thank Jefferson Lab and NASA for donating the glasses to our students!

PES Career Day was a huge hit with over 30 volunteers who came to present on their careers and garner interests from our students! Thank you to all for your time!

Come join the PES Cultural Night, Thursday, April 18 from 5-7pm!

Follow us! @poquosonschools

PMS / PHS

The PMS Builders club collected 557 books to donate to the Poquoson Library's "Little Library Houses" throughout the city.

On April 19, 6th graders will visit Jefferson Lab and there will be a school dance for all middle school students that evening. The following Friday, April 26, 8th graders will participate in "Launch into Physics" at Busch Gardens!

Congratulations to the PMS April Golden Bulls: Taylor Battle (6th), Wyatt Jackson (7th), and Payton Duval (8th)! We also congratulate our PHS Senior of the Month - Kaylie Forrest! We have incredible student leaders at PCPS!

The PHS Spring Musical, Mama Mia, is coming up on May 9, 10, and 11th. Look for more information regarding times and ticket sales!

The PHS Military Science class was able to visit aircraft carrier USS George Washington to learn more about naval and military operations. We are grateful our students can explore military careers in our own back yard!

Please note that the AP testing location has changed and will now be held in the portable classrooms in front of PES. Parents and students were notified but should you have additional questions, please reach out to Dr. George Cunningham at PHS.

Senor Navarro will be hosting a special event for students on May 2- highlighting life in Colombia and our own Jazz Band will be performing! The Jazz Band will also perform at their Spring Concert and is going to assessment on April 30!

District

Thank you to our PES Service Club for participating in the Great American Cleanup Day!

Congrats to all four of our Odyssey of the Mind teams for taking first place at the recent state competition! They are now heading to World Competition in Iowa in May! We wish them all the luck and know they will represent us well!!

April celebrates the resilience, sacrifices, and unique experiences of our military-connected children, who bravely navigate the challenges of frequent moves, deployments, and family separations. As we honor the Month of the Military Child, we recognize the unwavering strength and adaptability these young individuals demonstrate daily. Whether they are students in our classrooms or the children of our staff members, their contributions to our school community are invaluable. Join us in showing our gratitude and support for these extraordinary young individuals, whose courage and sacrifices inspire us all during our spirit week!
