School Board Recognition of Cherokee County School District 2024 Teacher of the Year -- Crystal Bennett, Ball Ground ES STEM Academy

Summary Explanation and Background

The Cherokee County School District saluted educators last month at the 2024 Legacy Makers: CCSD Teachers of the Year Celebration.

The Legacy Makers event held at the Northside Hospital Cherokee Conference Center in Canton honored the Teacher of the Year for every CCSD school, including four finalists who were announced in February. Superintendent of Schools Mary Elizabeth Davis opened an envelope at the event's conclusion to announce that Ms. Bennett is the 2024 CCSD Teacher of the Year!

Ms. Bennett, a 13-year educator who teaches fifth-grade math, science and social studies at Ball Ground ES STEM Academy, will advance as CCSD's nominee for the Georgia Teacher of the Year competition. She is known for her exceptional STEM (science, technology, engineering and mathematics) instruction and her cross-curricular lessons that transform her classroom and engage students in hands-on learning activities.

The finalists and CCSD Teacher of the Year are selected by a panel of community leaders who evaluate applications from each school's Teacher of the Year; school winners are selected by their peers.

Title

Recognition of Cherokee County School District 2024 Counselor of the Year and Innovation Zone Counselors of the Year

Requested Action

School Board Recognition of Cherokee County School District 2024 Counselor of the Year and Innovation Zone Counselors of the Year

Summary Explanation and Background

In recognition of a very talented and dedicated group of employees, the Cherokee County School District initiated a Counselor of the Year program beginning in the 2010-11 School Year. The award process begins with each innovation zone selecting a counselor of the year. Applications from these honorees then are considered by a panel of retired educators and community leaders, who select the CCSD Counselor of the Year.

The 2024 CCSD Counselor of the Year is Whitney Morberg from Etowah High School. An 18-year school counselor and three-time Innovation Zone Counselor of the Year award winner, Ms. Morberg has served at Etowah for the past decade. She is known for her expertise in guiding students to college acceptance and scholarship wins, but she's just as equally known for her efforts to provide students access to career success and her ability to support students experiencing emotional or mental health crises. Ms. Morberg earned her bachelor's degree from the University of Georgia and both her masters and specialist degrees in school counseling from Georgia State University. She joined CCSD as a school counselor at Hasty Elementary School and later worked at Canton Elementary before moving to Etowah. Ms. Morberg now advances to the statewide Counselor of the Year competition.

In addition to Ms. Morberg for the Etowah Innovation Zone, the other zone winners are: Cherokee: Jon Costales of R. M. Moore ES STEM Academy; Creekview: Dr. Kathleen Harris of Creekland MS; River Ridge: Dawn Garner of Arnold Mill ES; Sequoyah: Chris Guy of Holly Springs ES STEM Academy; and Woodstock: Unique Aquino of Woodstock MS.

FINANCIAL REPORT
MARCH 2024

General Fund

For the month ending March 31, 2024, the ninth month of the 2023-24 Fiscal Year, the School District's Operating Account (General Fund) has received $442,900,461 in revenue (year-to-date) consisting of state funds of $163,458,096 (63% of budget), $274,473,583 local revenues (98% of budget), and other funds of $4,968,782 (153% of budget). All operating expenditures of $371,846,074 (69% of budget) are within the Board of Education's approved 2023-24 budget.

Building Fund/Ed-SPLOST Collections

The Capital Outlay Fund balance of $165,978,029 as of March 31, 2024 reflects Special Purpose Local Option Sales Tax for Education (Ed-SPLOST) collections, proceeds of bond sales for capital outlay purposes, and transfers from the General Fund less bond refundings, bond issuance costs, transfers of Ed-SPLOST to the Debt Service Fund and capital outlay expenses paid.

Cherokee County School District received $5,309,129 for sales tax collections received in March 2024, for the month of February 2024, the 17th month of 60 monthly sales tax collections for the 2022-2027 SPLOST. Collections received were above projections for the month by $1,165,646 and above cumulative projections by $13,554,098.

Ed-SPLOST collections are accumulated within the Building Fund to be used for specified capital outlay purchases (limited pay-as-you-go) and transferred to the Debt Service Fund at the appropriate time to meet annual bond obligations (January and July). Excess Ed-SPLOST collections above projections are used to meet critical capital outlay needs and/or transferred to the Debt Service Fund as a safeguard against future negative economic conditions, assuring the School District can meet future bond payments.

Debt Service Fund

The Debt Service Fund balance as of March 31, 2024 is $67,632,474 representing funds accumulated from Ed-SPLOST collections, collections from the 1.5 mills of property tax approved by the School Board, interest earned from investments and Invested Sinking Fund earnings. The Invested Sinking Fund is attached to the Series 2010B Bond issuance and is structured to fully pay the annual debt service on the Series 2010B bonds through January 2028. Annual Debt Service payments are made in February and August of each year, according to the Debt Service Schedule published annually in the Cherokee County School District Budget Book.

Federal/State/Competitive Grants and School Nutrition Funds

The School Nutrition Fund Balance as of March 31, 2024 is $20,266,209 and represents the difference between revenues from all sources and all expenditures. This amount is held in reserve to cover potential funding shortfalls or unexpected expenses.

Federal, State and Competitive grant funds are annually awarded to the School District based on funding formulas (Federal Title Programs) and/or program applications (State and competitive grants). As funds are expended, reimbursements are sought from the various programs. Local funds are not intended to cover shortfalls within grant programs nor are grants intended to carry a fund balance.

Surplus Property and Disposing of Said Property Pursuant to School Board Policy DO

Requested Action

School Board Consideration of Superintendent's Recommendation for Approval of Declaring Surplus Property and Disposing of Said Property Pursuant to School Board Policy DO

Summary Explanation and Background

The Superintendent and staff have identified 12 mobile classroom units as surplus and seek Board approval to dispose of surplus pursuant to School Board Policy DO.

The mobile units are currently located as follows: four at Carmel Elementary School, one at Liberty Elementary School, two at Ace Academy, four at Woodstock Middle school, and one at Woodstock High School.

Pursuant to written systemic partnership agreements, outside governmental agencies will be provided an opportunity to purchase the mobile units first, before being offered to the general public, at which time the property will be advertised for sale to highest bidder pursuant to statutory requirements.

School Board Consideration of Superintendent's Recommendation for Approval of the Special Lease Agreement

Summary Explanation and Background

Pursuant to the School Board's Community Use of System Facilities Policy (KG), special lease agreements applicable to non-school allied groups (users applying for extended use of school facilities who are required to pay rental fees) and for-profit summer camps, summer recreational leagues and/or any activities where Cherokee County School District employees are compensated, must be recommended by the Principal to the Superintendent for consideration of approval by the School Board prior to use of the facility. Extended use is defined as an event involving four or more consecutive days or for recurring activities.

Attached detailed synopsis of the special lease agreements, which adhere to the guidelines stipulated for such use and which have been approved by the Principal and Superintendent.

The allowance of these special lease agreements to occur will ultimately be determined by the Superintendent. That determination will be based on current and emerging COVID-19 related guidance from Federal, State and Local health officials.
