

Diary for week commencing 29th January 2024

Dear Parents, Carers and Friends,

Please remember that if you need support or wish to talk to the school about anything, then please let us know.

FRONT DOOR

Please can we remind parents to not bring their children into school through the front entrance in the mornings. Unless parents have an arrangement in place with the school, please arrive at school in enough time to walk round onto the playground so children can go into school in the usual way. Thank you for helping us with this.

DINNERS

Our catering company will no longer accept orders unless they are booked on ParentPay at least 48 hours before hand. This is so the catering company can order food in advance and provide each child with the dinner they have ordered.

HOLIDAY CLUB

We are pleased to tell you that holiday club will be able to run over February half term, and for parents who have already contacted us to book their children in, their dates are confirmed and will be added to ParentPay.

NUMBER DAY

On Friday, it is National Number Day. This is non-uniform day and children are asked to come into school representing a number! This could be a jumper showing a number, a hair style showing a number, etc. We are inviting children to make a donation to the NSPCC this day.

PARENTS' EVENINGS

Parents' evenings are being held the week after half term (Tuesday 20th and Thursday 22nd February). Please contact the school office to secure your appointment and all parents are asked to attend so our teachers can update you on your child's wonderful achievements.

HOLIDAYS

Can I remind parents that it is against the law to take your child out of school for a holiday. When a child misses school, the negative impact on their learning can be huge as crucial learning building blocks are missed. I have included the term-time dates for this year and the following year at the end of this newsletter. [Please note for 2024-2025, two further teacher training days are yet to be added]. This information gives plenty of time for parents to plan their holidays well in advance. Thank you so much to those parents who observe the law which is in place to ensure that all children can access their rights to an education.

Thanks Jacky,

Jacky Sykes and all the staff at Bishops Itchington Primary School
