Archived BSC Data

Please note: The perception survey summary pages compile data into categories and stakeholders and can contain responses to many of these questions into summary visuals. Any summary counts displayed are counting responses to all questions in the grouping.

To navigate this report:

We recommend you place the dashboard in "full-screen mode" by clicking this icon  in the lower right corner.

For multi-page reports, use the pagination arrows  **1 of 5**  to move between the report content areas.

Where available, use the left navigation to select the year, district, zone, school, or grade level.

For more detailed instructions, please visit [How to Navigate the Dashboard](#).

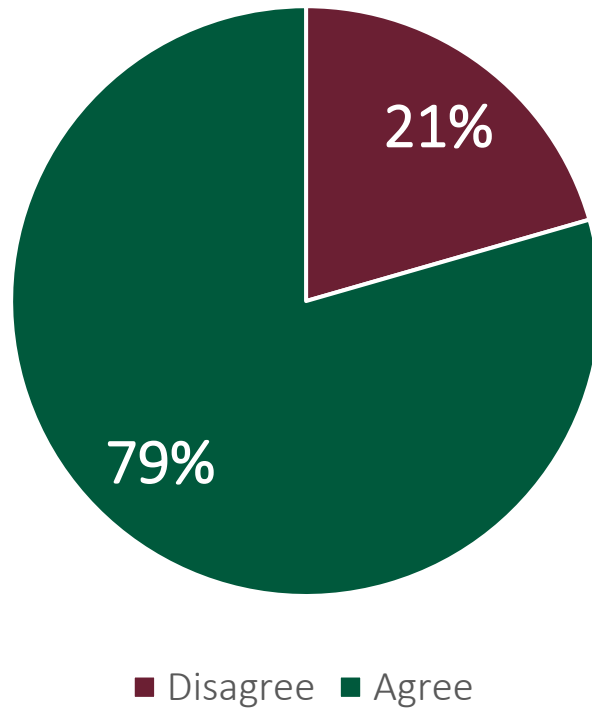

If you have questions or need assistance, please email balancedscorecard@fultonschools.org.
