

South Fulton Redistricting

Final Recommendation

Presented by: Yngrid Jones-Huff
Deputy Chief Operations Officer

Why redistrict attendance boundaries?

- Enrollment and capacity imbalances in South Fulton
 - Elementary (southwestern region)
 - Middle
 - High

Process – Ground Rules

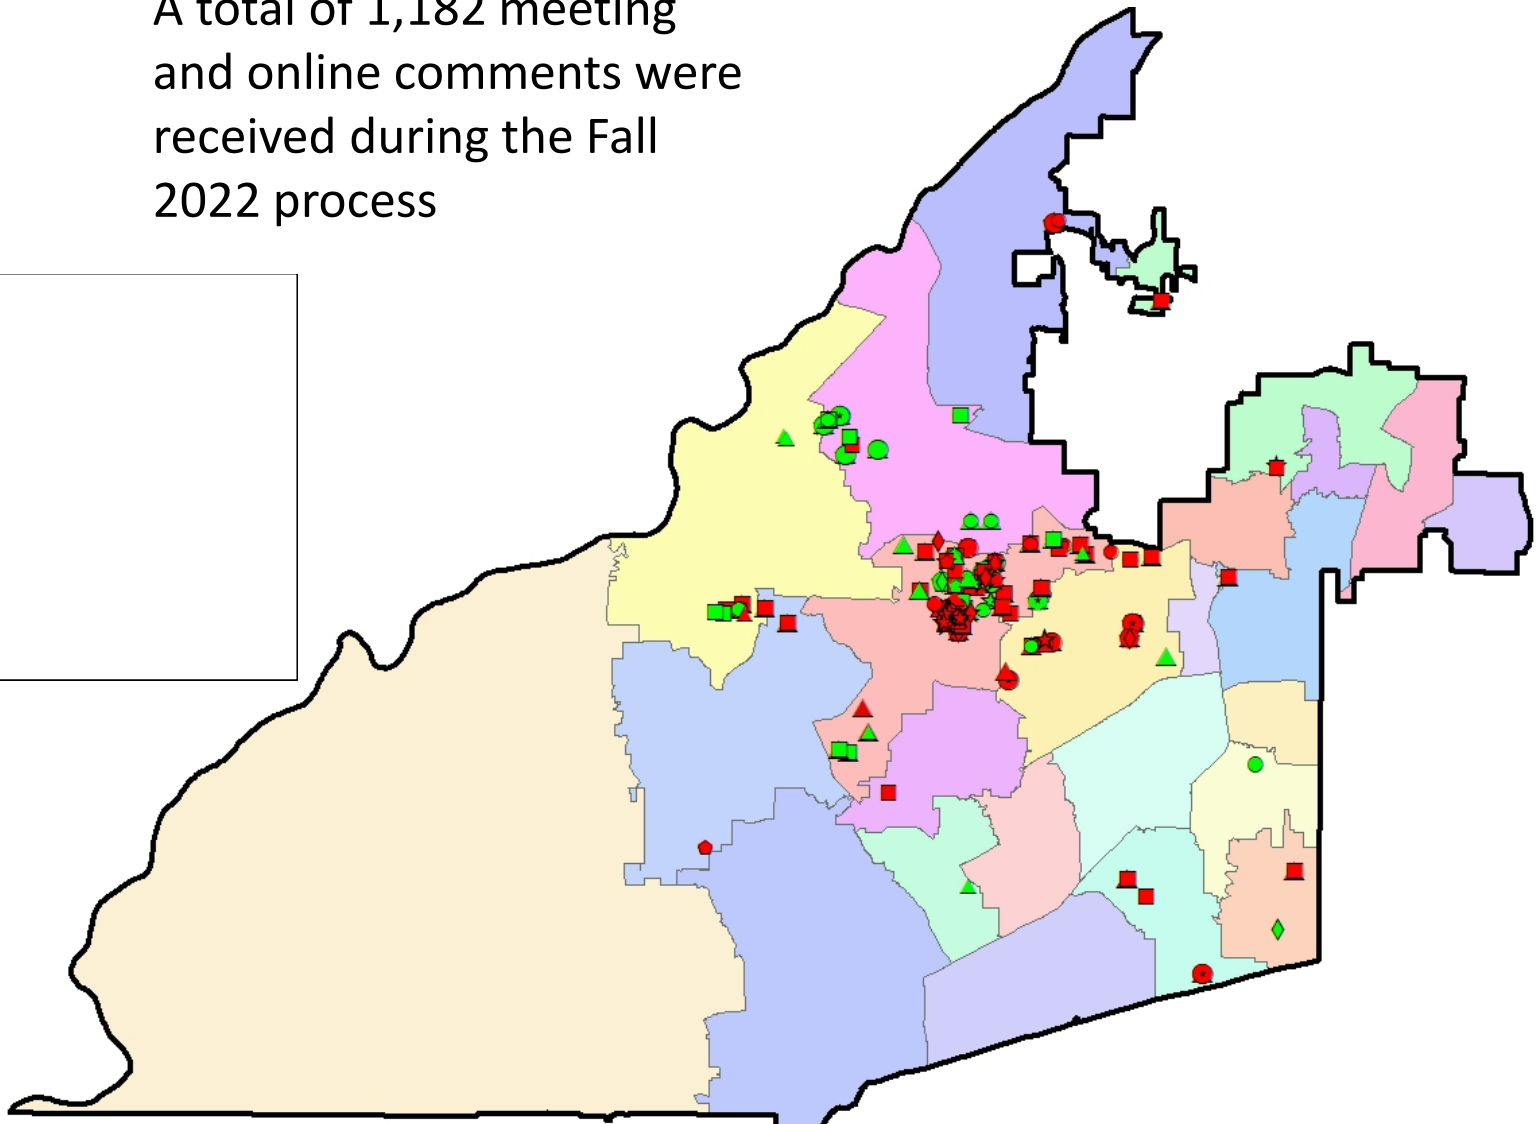

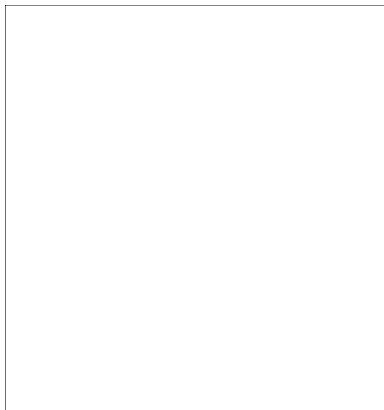

- **Round One – Community Forum**
 - Objective: Collected community input within the board-approved criteria
 - September 15, 2022
- **Round Two – Community Forum**
 - Objective: Collected community input on attendance zone alternatives based on board approved criteria
 - October 6, 2022
- **Round Three – Community Forum**
 - Objective: Collected community input on attendance zone alternatives based on board approved criteria
 - October 20, 2022

Three rounds of community meetings

- Round 1 – 49 participants – 182 comments
- Round 2 – 194 participants – 651 comments
- Round 3 – 100 participants – 349 comments
- 3 alternative maps and one draft plan were presented to the community for attendance boundary changes

Community Feedback - South

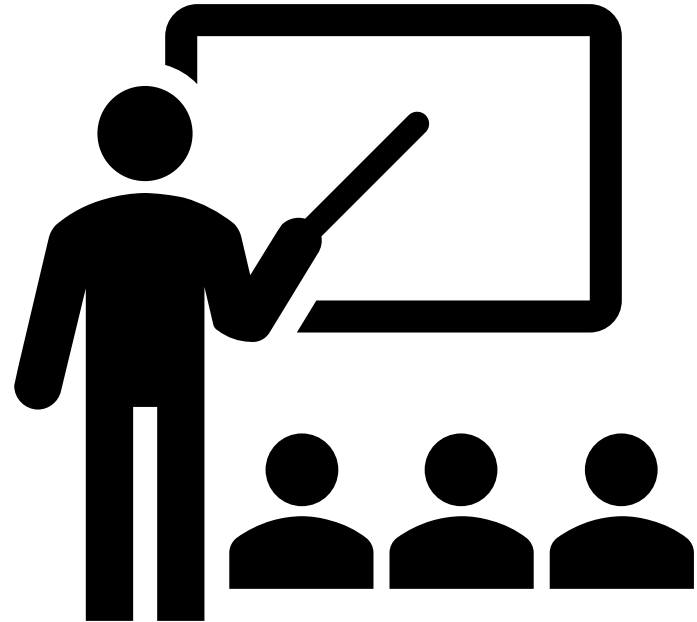

A total of 1,182 meeting and online comments were received during the Fall 2022 process

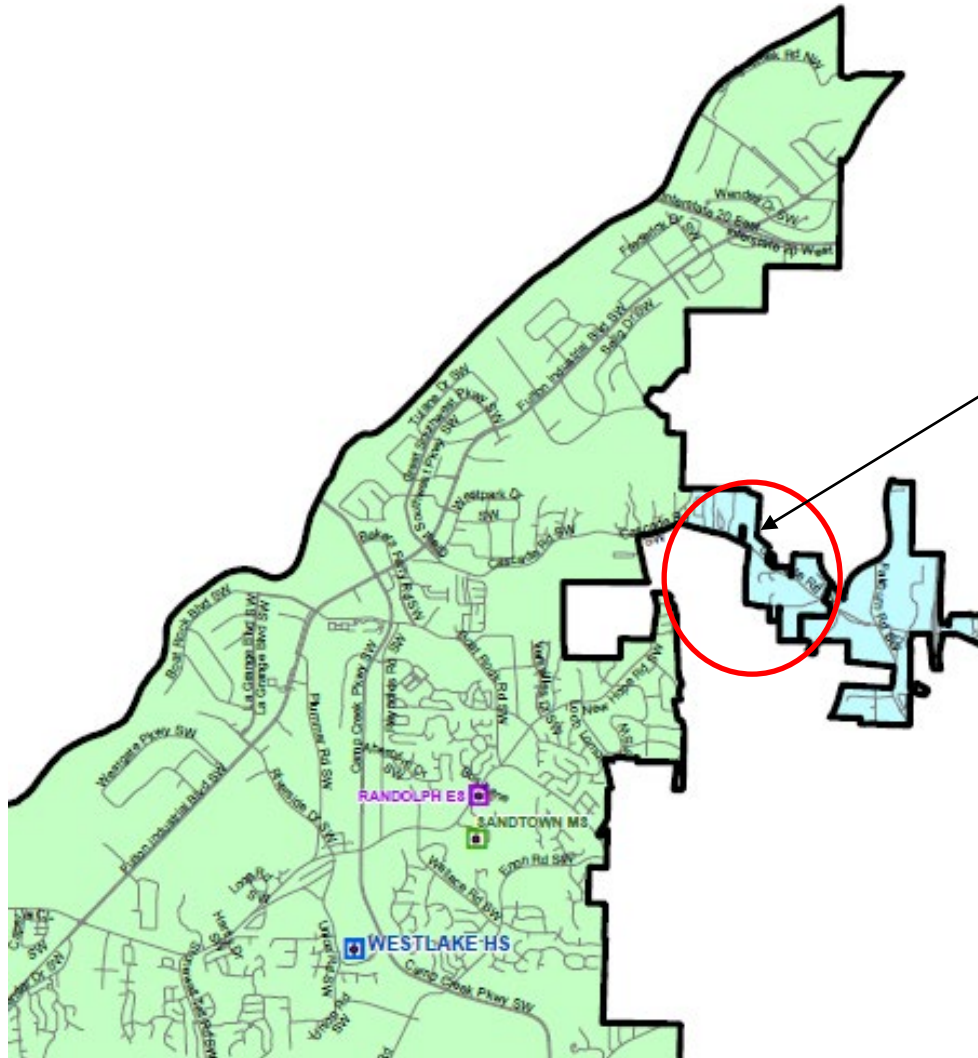

A second look at middle school capacity...

School Capacity – Classroom Space

- Number of classrooms in each building
- Projected enrollment
- Student-to-teacher ratio

South Fulton Final Recommendation

- All zone changes go into effect 2023-24
- Elementary school impact:
 - 8 schools
 - 342 current K-4 students; 90 eligible to remain
- Middle school impact:
 - 7 schools
 - 999 current G5-G7 students; 332 eligible to remain
- High school impact:
 - 5 schools
 - 3,110 current G8-G11 students; 2,388 eligible to remain

Students in grades 4, 7, 9, 10, and 11 are given the option to remain at their current school should they maintain satisfactory grades, attendance, and behavior. Parents must provide transportation to and from school.
