Madeira Calendar Art Contest

Madeira City School students in Preschool through 12th Grade are invited to enter original artwork in the 2024-2025 Calendar Art Contest. The artwork will supplement the photos that are traditionally featured in the calendar.

At the start of the 2024-2025 school year, a printed copy of the calendar will be distributed to all staff members, each family with a child in one of the district's schools, and any community member who requests a copy. An online version will also be posted on the district's website.

The contest is limited to current Madeira City School District students only and is strictly voluntary. Artwork should be in color and can be any medium other than computer-generated art. Artwork in the horizontal or "landscape" position best fits the calendar's format

Entries can be illustrations of Madeira school buildings, teachers and classmates, classroom learning, any seasons, Mustangs and Amazons, transportation, or anything related to Madeira Schools.

See entry information on the home page of www.madeiracityschools.org or contact Diane Nichols at dnichols@madeiracityschools.org. Entries are due May 3.
