Odessa Collegiate Parents:

PLEASE READ CAREFULLY

If you do not have Parent Portal,

please come by the Main Office ASAP and receive your login.

We are open Monday – Thursday, 8:00 am – 5:00 pm, and closed on Fridays.

We will even help you set up your account online if needed at a computer on our campus.

Parent Portal is how ALL ECISD students will now be registered online for school.

It makes Registration faster for you and ensures that your information is accurate online.

Also,

Parent Portal is how you monitor your child's grades "live" and online for all high school classes.

Parent Portal is also how you monitor your child's attendance and tardies for each class period.

In this day and age, **Parent Portal is a necessity for ALL parents.**

Our goal is to have 100% of our parents signed up and using Parent Portal for the 2019-2020 school year.

You can still register your child on July 30th, if you do not have Parent Portal. However, it will take you much

longer at Registration due to filling out 10-12 forms by hand. You will also need to bring a gas, water, or electric bill to Registration on July 30th, if you did not register online in Parent Portal, so we can make a copy

of it for address verification.

SIGN UP FOR PARENT PORTAL TODAY!!!
