

HEWITT SUMMER CAMP

A Co-Ed Day Camp for Rising K-8th Graders

Monday, June 17 to Friday, July 19, 2024

Hewitt's co-ed summer camp is open to students entering kindergarten through 8th grade. Full day camp programs run from 9:00 am to 4:00 pm, while our new sports camps run from 8:00 am to 12:00 pm. Curious and inquisitive campers can choose from a wide variety of activities including **field trips, science and engineering challenges, games and sports, and cooking and crafting.** **Most K-4 programs also include tennis lessons.**

This summer brings **exciting new options designed specially for rising 5th through 8th graders!** Our Queens of Pop and Eras Camps are perfect for anyone who loves the music of Taylor Swift, Olivia Rodrigo, and Beyoncé! We are also thrilled to offer new **half-day soccer, volleyball, and basketball camps** to aspiring middle school athletes. These sports camps run from 8:00 am to 12:00 pm and are led by Hewitt's own P.E. and athletics coaches.

Full-day programs include lunch, which is prepared daily in the Hewitt dining room, as well as snacks. Half-day sports camps include a mid-morning snack. Campers can sign up for all five weeks of camp, or select the number of sessions that fit with their summer schedule.

[Click here to register for camp.](#) Please note that registration closes on June 8, 2024, at 12:00 pm, and no refunds will be provided after this date.

WEEK 1

June 17-June 21

*Note: Camp will be closed on Wednesday, June 19, 2024, in observance of Juneteenth.

Summer Stars

Summer Stars will kick off with an all-day field trip on Monday, June 17. For the rest of the week, campers will explore several different activities including cooking, science, engineering, crafting, and writing projects. Campers will also enjoy organized games and sports and movement in Central Park (weather permitting).

Rising 3rd-6th graders

NYC Exploration

Join us as we explore the greatest city in the world! Each day, we'll take a field trip using public transportation to a different awesome place in New York. Possible destinations include the Queens County Farm, Governors Island, the Museum of Broadway, Wave Hill, and Central Park.

Rising 5th-8th graders

Explorations in Creative Writing

Whether you're curious about different forms of writing or an experienced young writer, you will have the opportunity to experiment with poetry, fiction, drama, memoir, and journalism. Each day, we will explore a different genre through readings, writing games and activities, and free writing time. Campers can try many different forms of writing or focus on one that they particularly enjoy. Our final afternoon together will be devoted to sharing favorite pieces of writing aloud with the group.

WEEK 2

June 24-June 28

Rising Kindergarteners-4th graders

Summer Explorers

Summer Explorers will spend the week diving into all the things they love about summer! Campers will use delicious summer fruits to make smoothies and salads, sketch flowers and plants during nature walks in Central Park, engineer miniature water slides, and make crafts that remind them of

their favorite summertime activities. Campers will also enjoy tennis lessons, organized games and sports, and movement in Central Park (weather permitting).

Rising 5th-8th graders

Hawks Soccer Camp (8:00 am-12:00 pm)

This immersive and dynamic week-long experience is perfect for young athletes who are eager to enhance their soccer abilities. With expert coaches at the helm, campers will engage in tailored skill-building sessions that cover fundamentals, tactics, and game strategies. Hawks Soccer Camp is a supportive and inclusive environment designed to help each player hone their technical prowess and develop a passion for the sport that extends beyond the field.

Rising 5th-8th graders

The Eras Camp

Swifties unite! Let's be "Fearless" together and learn dance routines and songs from each of Taylor Swift's different musical eras. Campers will participate in acting games and make their own costumes, themed crafts, and friendship bracelets! Every camper will have the chance to shine during this amazing week of singing and dancing. At the end of the week, campers will perform a mini-concert to present the music they have been working on.

WEEK 3

July 1-July 3

Rising Kindergarteners-4th graders

Summer Explorers

Campers will focus on a variety of STEM projects, using recycled materials to engineer pinwheels, helicopters, sailboats, or catapults. Campers will also participate in cooking projects to learn about measurement and scaling and enjoy tennis lessons, organized games and sports, and movement in Central Park (weather permitting).

Rising 5th-8th graders

Hawks Volleyball Camp (8:00 am-12:00 pm)

This dynamic and immersive program is designed to enhance players' volleyball skills. Led by experienced coaches, participants will engage in a comprehensive curriculum that covers fundamental skills such as serving, passing, setting, and spiking. Hawks Volleyball Camp fosters a

supportive and inclusive environment, allowing players to not only refine their techniques but also build camaraderie and a passion for the sport.

Summer Voyagers

Summer Voyagers will spend the week exploring the seven seas! Campers will learn about the food, climate, sports, clothing, architecture, and animals of different cultures around the world. As they make new discoveries, they will draw comparisons between their own city and the ones they are learning about across the globe. By the end of the week, campers will present their new knowledge through dramatic play, puppetry, or their preferred form of storytelling. Campers will also enjoy tennis lessons, organized games and sports, and movement in Central Park (weather permitting).

Rising 5th-8th graders

Hawks Basketball Camp (8:00 am-12:00 pm)

This immersive and dynamic camp is perfect for aspiring young basketball players. Participants will engage in a comprehensive curriculum designed to enhance their fundamental skills, including shooting, dribbling, and defensive techniques. Under the guidance of experienced coaches, campers will hone their individual abilities in a supportive and motivating environment.

Rising 5th-8th graders

Queens of Pop Camp

Each day we will learn about a strong female recording artist (think Beyoncé, Olivia Rodrigo, and Billie Eilish!) and celebrate their career and individual voice. We can't wait to get dancing and singing - let's belt out our favorite tunes together and learn trending dance moves. At the end of

the week, parents and caregivers will be invited to a concert celebrating all of the fierce female artists we have been rocking out to!

WEEK 5

July 15-July 19

Rising Kindergarteners-4th graders

Summer STEM Adventures

Join us for a week of STEM adventures as we explore outer space and the ocean! Campers will learn about space through hands-on activities like creating their own solar systems and galaxies and building rockets. They will make discoveries about ocean zones and sea life, learn about marine pollution, and come up with solutions to keep our oceans healthy and clean! Campers will also enjoy tennis lessons, organized games and sports, and movement in Central Park (weather permitting).

Rising 5th-8th graders

Hawks Basketball Camp (8:00 am-12:00 pm)

This immersive and dynamic camp is perfect for aspiring young basketball players. Participants will engage in a comprehensive curriculum designed to enhance their fundamental skills, including shooting, dribbling, and defensive techniques. Under the guidance of experienced coaches, campers will hone their individual abilities in a supportive and motivating environment.
