Per item 7 (Total Quantities of Furniture to be Removed) in the General Conditions sheet on page #19, the District does not currently have an estimate of the types of quantities of furniture to be removed from Sites 1-4. The contractor had the opportunity to observe each site during the Mandatory Pre-Bid Job Walk to evaluate the scope.
2. Please specify the level of detail required in the inventory we are to supply.  
Per item e. (Reporting) on page 6, the successful bidder shall provide the District with an operations report for each District site showing the quantity of items removed and the final destination of those items recycled or disposed of.
3. Please confirm if this is a prevailing wage project or not.  
Per item 16 (Department of Industrial Relations (DIR), Labor Code & Prevailing Wages for Public Works) The removal services required in this bid will not generally require the payment of prevailing wage.
4. On the bid proposal sheet are you requesting an individual price for each school as well as a total price?  
Per the Bid Quotation Sheet instructions on page #31, Bidders shall provide total service prices for each District site specified in the chart below. We encourage bidders to read the bid documents carefully.
