Serving Learners, Families, and the Community

Learning for Independence Program (LFI)

Overview

The **Learning for Independence (LFI)** program provides students ages 18 - 21 the opportunity to develop the life skills necessary to function more independently in the community.

The **LFI** program provides students who are working towards a *Certificate of Completion* and pursuing alternative outcomes, a wide array of opportunities to develop the skills necessary for supported community based employment as a postsecondary goal.

Classes offered in program include:

- **Budgeting & Finance**
- **Career & Social Issues**
- **Community Transportation & Resources**
- **Computer Concepts**
- **Creative Arts (Art, Music, Theater)**
- **Healthy Living**
- **Transitional Math and Reading**
- **Work Experience**

Requirements

Students in the LFI program must:

- Be 18-21 years old: Student participation in the program will start at the beginning of the school year after their 18th birthday.
- Have independent living and supported employment goals/ activities reflected in the Transition Plan of the IEP.
- Be referred by his/her home school building coordinator
- Have a strong likelihood of being competitively employed with support in the community upon exit at age 21.
- Have participated in a school based work/community setting before applying for this program
- Have successfully completed the LFI application process.
- Attend the program Monday - Friday from 9:30 a.m. - 2:00 p.m.

Application Process

1. At the student's annual IEP meeting, prior to their 18th birthday, the team will consider the LFI program as part of transition planning.
2. If appropriate, the home school Building Coordinator will complete the LFI online application.
3. LFI staff and Instructional Coach will review the referral packet with home school building coordinator.
4. After the student is approved for consideration for the LFI program by a Program Facilitator, parent and student will visit LFI at for a tour and interview.
5. Parent and student will complete and submit the application for the LFI at the completion of the tour.
6. An IEP meeting will be scheduled at the home school for all accepted students, with participation from LFI staff.
