9. RECOGNITION
Outstanding Students – OHS

Azalea Kubic Azalea is a portrait of building resilience, being impactful, and being legendary. Her journey at OHS has been a personal triumph, power of determination and dedication. Azalea embraced the opportunity to learn, particularly in a Dual Language program. She persevered and achieved a score of 4 on the AP Spanish Language Exam in eighth grade. Her resilience extended beyond academics to the realm of sports. As a member of the first-ever girls' flag football team, Azalea played a pivotal role in fostering a positive team culture. Her leadership and encouragement created an environment where every player felt valued and supported. Beyond athletics, Azalea has become a mentor and has offered guidance and support in both academic and personal endeavors. Her academic excellence shines through in her recognition as a semi-finalist for the prestigious Ronald Reagan Scholarship. Azalea's dedication to both sports and academics exemplifies her commitment to excellence in all aspects of her life and her story is one of triumph, leadership and mentorship.

Jaxton Wright personifies leadership and service at OHS. His most notable achievement was his initiation and leadership of a district-wide coat drive that grew into a county-wide campaign by collecting 2,200 coats that provided for those in need. In addition to his generosity, Jaxton has held numerous leadership positions within various student organizations: Founder and President of the Finance Club, Vice- President of the Black Student Union and Link Crew. Jaxton has cultivated a network of connections through his genuineness and drive which has enabled him to pursue a wide range of goals aimed at making a positive impact in the community. As an ambassador for OHS and Ventura County, Jaxton has had the opportunity to speak at the state capital to advocate for critical issues and represent the interests of his fellow students. His enrollment in AP courses is an example of his dedication to academic excellence. Jaxton has a passion for social justice that has led him to actively participate in organizations such as "The Gathering for Justice" and the NAACP and he's worked tirelessly to promote understanding and dialogue among diverse demographics, fostering a more inclusive and informed community. He also played an important role in organizing a school-wide voter registration campaign with over 440 student participants.

Octaviano Guerra embodies the qualities of leadership, dedication, and academic talent at OHS. He has not only excelled in his studies but has also contributed significantly to the extracurricular activities on campus. A four-year participant of the Marching Band, Octaviano has a commitment to musical excellence and teamwork and has been an inspiration to his peers for the Oxnard community. He has left a mark as the ASB News Live editor for two and a half years working tirelessly to deliver timely and informative messages to the student body each morning. Beyond his academic and extracurricular achievements, Octaviano is committed to inclusivity and sportsmanship. He is ranked first in his class as an 11th grader and is a member of the Ivy Chain. His status as an honor roll student speaks volumes about his work ethic. In June, Octaviano will proudly walk the stage as one of the valedictorians for the Class of 2024.

(OHS)**
