

MVS Website/App Use

As part of our iReach initiative, the MVS students will be using their devices to create projects in which they apply their content knowledge in innovative ways. Many of our students will be using the following apps or websites. Some of these applications require account logins. The students will be using their standard network logins and usernames to create or access these accounts. To comply with the terms and conditions of some of these sites and apps, we need parental consent for students to create and use these accounts. All students will not use all sites; if you have specific questions about which sites your student will be accessing, please ask his/her teachers. If you would like to login to any of the sites, just ask your student for his or her login information. Also, some apps/sites are parent communication tools (SeeSaw for 2nd – 5th) and may contain pictures or videos of your child. Specific app and sites include the following:

Study.com: https://study.com (9 th)	Studies Weekly: https://www.studiesweekly.com (GR 2-5)
Writable: https://www.writable.com (9 th)	Generation Genius: https://www.generationgenius.com (GR 2-5)
Canvas: https://www.instructure.com (GR 2-9)	Scholastic: https://www.scholastic.com (GR 2-5)
