## Mission Statement

*The mission of ECR is to create an inclusive environment that prepares our diverse student body for the next phase of their educational, professional, and personal journey through a rigorous, customized academic program that inspires the development of students' unique talents and skills, builds character, and provides opportunities for civic engagement and real-world experiences.*

## Parent Participation

*Research shows Parent or Guardian Involvement & Engagement is Key!! Students whose parents stay involved have better attendance & get better grades. Parental involvement in education is the key to student success.*

## Stakeholders

*All ECRCHS parents are Stakeholders, and can assist the school in making it better!*

### Equity Advisory Committee

Parents, Teachers, and Staff make up this team of stakeholders primarily responsible for advancing and centering equity in the school's culture and practices through an anti-racist and anti-bias lens. The desired outcome is closing the academic achievement gap for students and ensuring an inclusive school environment for all students.

### School Site Council –SSC

All parents are encouraged to participate and attend the School Site Council. The School Site Council helps monitor the implementation of our Single Plan for Student Achievement (SPSA), helps evaluate the effectiveness of the allocation of resources, and provides additional input in the modification of the SPSA.

### English Language Advisory Committee – ELAC

A committee comprised of parents, staff, and community members designated to advise school officials on English learner programs and services.

### ECR Royal Families –

ECR Royal Families is an ECR Parent led volunteer group, which includes parents of current ECR student(s). As volunteers we support the school's vision that is committed to excellence and equity in education.

As Parents, our involvement in schools give us the opportunity to work together with students & staff in respectful and mutually supportive ways, creating an environment in which understanding, trust, and respect can flourish.

### Reaffirming our Investment in Supporting

Excellence (RISE) is a parent led group advocating for all African American students at ECRCHS. The group meets monthly and strive to bring cultural awareness to the larger school community and work closely with the school to communicate relevant academic information.

Los Padres Latinos, is a parent-led group advocating for all Latino students at ECRCHS. This group meets monthly and strive to bring cultural awareness to the larger school community and work closely with the school to communicate relevant academic information. Volunteer parent representatives participate in LCAP Committee meetings, School Site Council, Safety Committee, and the Equity Advisory Committee meetings. ECRCHS will continue to communicate with parent groups to encourage parent participation in these and other committees in the future. In addition, ECRCHS strives to improve communication between school officials and parents. To that end, ECRCHS will continue to host the "Coffee with the Executive Director (Mr. Hussey)" program, every month or as needed.

## PARENT ADVISORY COMMITTEE (PAC)

Title I legislation requires that each school receiving federal funds develop a parental involvement policy and a parent-school compact. That is what ECR has done through the various Parent Groups. More specifically according to California Education Code 52062 and 52063 ECRCHS must establish a **Local Control and Accountability Plan- LCAP, Paren Advisory Committee (PAC)**. The PAC meets once every three months where parents discuss and receive information that helps them to understand student needs and how those needs are addressed by the goals, actions, services and expenditures contained in the LCAP. The PAC Members provide insight and

### School Site Safety Committee

A committee that includes, parents, staff and teachers, regarding school security, safety promotion, safety hazards, accident prevention methods and other pertinent topics; problem solving with suggestions on improvements.
