Family Update Volume 23

Dear Families,

Last week Ms. Hunter and I dived into our school quality survey feedback from all stakeholder groups; students, staff and parents. Overall, we learned 97% of families, 94% of students and 93% of staff rate our school quality as good excellent! As we peeled back the data we were able to identify celebrations and opportunities for our school moving forward. I have created a visual to help you understand areas of celebrations and opportunities. I am looking forward to creating action steps using the data collected from our school quality survey. Thank you for participating and sharing feedback in making our school better each year.

This week we have no school on Monday reserved for President's Day. On Wednesday, please support our PTO family dinner night at Dairy Queen-- stop by any time, get some yummy ice cream and support our school!

Conferences are coming up! On Wednesday, teachers will send out Parent Conference Signup links at 2:45pm. Conferences will be held February 28, 29 and March 1st. All three days for conferences are early release. PTO would love your support in providing dinner and snacks for our staff. Please click below to access the sign-up sheet.
