Safety Enhancements & Improvements

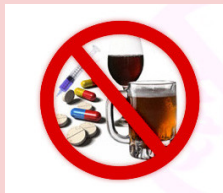

Extended Stop Arm Program

87% Average Reduction of passing motorist violations on routes we tested this equipment on.

Somers Driver Points System

Driver points system created to enhance driver accountability for their driving actions.

Drug & Alcohol Monitoring

We continue to work with Royal Coach Lines to ensure all monitoring is above DOT standards.

New Staff Training Programs

The department has implemented socioemotional training programs for our bus attendants.

Enhanced Student Safety Programs

Safety Training Programs now exceed NYSED requirements. The department has implemented a Good Behavior Bus Club for K-5.
