## HONORS TO GRADE LEVEL COURSE COMPARISON

	<b>Honors Integrated Math 2</b>	<b>Integrated Math 2</b>
<b>Summer Homework</b>	<ul style="list-style-type: none"> <li>Students complete a non-calculator summer assignment that covers many pre-algebra and algebra skills; students will show mastery with a quiz (without a calculator) on the third day of school.</li> </ul>	<ul style="list-style-type: none"> <li>None</li> </ul>
<b>Homework</b>	<ul style="list-style-type: none"> <li>Students will have homework daily, oftentimes even on test days.</li> </ul>	<ul style="list-style-type: none"> <li>Students will have homework daily, however typically not on test days.</li> </ul>
<b>Rigor of Math Content</b>	<ul style="list-style-type: none"> <li>Follows the curriculum of Big Idea's Integrated Math 2 textbook.</li> <li>Geometry and Algebra 2 concepts are covered.</li> <li>Content is often supplemented with subjects and topics beyond those included in the textbook to give students a greater depth of understanding..</li> <li>Students may be asked to perform some calculations without a calculator.</li> </ul>	<ul style="list-style-type: none"> <li>Follows the curriculum of Big Idea's Integrated Math 2 textbook. Geometry and Algebra 2 concepts are covered.</li> </ul>
<b>Classroom Expectations &amp; Grading</b>	<ul style="list-style-type: none"> <li>70% assessments, 20% homework checks, 10% homework completion</li> <li>No retakes on tests or daily quizzes.</li> <li>Semester grades are partially weighted.</li> </ul>	<ul style="list-style-type: none"> <li>70% assessments, 20% homework checks, 10% homework completion</li> <li>Retakes are allowed on tests (options limited to 1-2 per semester) and daily quizzes.</li> <li>Semester grades are not weighted.</li> </ul>
<b>Benefits</b>	<ul style="list-style-type: none"> <li>Focus on preparing the student for college &amp; career readiness.</li> <li>Provide acute attention to mathematical detail, which will prepare students for subsequent higher level math courses.</li> <li>Students in this course have the opportunity to take AP Calculus their junior or senior years.</li> </ul>	<ul style="list-style-type: none"> <li>Focus on preparing the student for college &amp; career readiness.</li> <li>Preparation for Integrated Math 3.</li> <li>Students in this course may not reach AP Calculus by their senior year.</li> </ul>
